## THREE MEETINGS HOLD ATTENTION

Special Gatherings for Men, Women and Sabbath School and Young Peoples Workers Sunday

### FAITH, GROSSMAN'S TOPIC

Declares it is One of Commonest of Virtues—Dr. Dodds Talks on "Sensation in Heaven."

Three special meetings Sunday afternoon in connection with the three revivals which are in progress here hold attention for tomorrow. The union meeting for Sabbath school and young peoples workers will be held at the First Presbyterian church and will be addressed by Dr. F. W. Grossman and his daughter, Miss Ethel Lee; the men's meeting will be held at the United Presbyterian church and will be addressed by Dr. D. L. Dodds, and the women's meeting will be conducted by Mrs. Harry Ross at St. Paul's M. E. church. All will begin at 2:30.

Dr. Dodds will speak to the men on the subject, "The Devil's Detectives." Dr. Grossman, who is educational superintendent for the state, will speak on "The Rights of the Boy and Girl." It is said this address will be very helpful to all parents and young people. Miss Grossman will speak in behalf of the elementary division of the Sunday school. She is state superintendent of this branch and is an expert as well on young peoples work. After the two brief addresses, the audience will be divided into two conferences—one for young people and the other for Sabbath school workers and parents. This is pointed out as a rare opportunity to ask questions.

One of the features of the revival at the St. Paul's M. E. church will be this evening when the Sunshine chorus of fifty or more boys and girls voices will be on the platform and conduct the singing. There will be choruses, solos and duets. They have been trained by Mr. and Mrs. Harry Ross and are well prepared for the program. Mr. Ross will tie a stout boy with ropes and there will be a blackboard exercise. The children will give a Bible yell "Rushville for Christ." The public is cordially invited to attend.

"Faith is one of the commonest of virtues," declared Dr. Grossman. "It is being exercised by all. We even trust men who have deceived us. We trust our senses that have deceived us. If faith were absent commerce would cease. Society would be blasted; it would become a mob without a leader. Families would be disorganized. Satan attempts to make faith mysterious because it is looked upon as a theological term."

The Bible claims that the Holy Spirit will clean up a person's life. We know thousands who testify by word and conduct that they now love what they formerly hated—that their lives are changed. It is illogical and sinful for us to deny their testimony."

The text of Dr. Dodds was Luke 15:10; the theme "A Sensation in Heaven"—"Likewise I say unto you there is joy in the presence of the angels of God over one sinner that repented." He said in part:

"Christ is teaching in Jerusalem. A vast concourse of people have been listening to His words. From the temple comes a company of the Scribes and Pharisees, inveterate enemies of the Master who were endeavoring to entrap Him in His words. The Pharisees were the high church men of Judaism, devotees of a rigid ecclesiastical life, fond of fast days, religious badges and long prayers, exceedingly exclusive in their society. With these stand the Scribes. They are the educational leaders of the land, the authorized interpreters of the sacred Books, men of culture and influence in Jerusalem. In this presence of

## HEARING IS POSTPONED

Arlington Protest Will Not be Heard Until Next Friday

The hearing on the petition for a warning signal at the Main street crossing of the I. & C. at Arlington will be heard next Friday at Arlington instead of yesterday as was originally announced. A member of the Public Service Commission will hear the case, starting at ten o'clock. The exact place for holding the hearing in Arlington has not been determined. Neither is the man from the Public Service Commission who will hear the case known.

## CLINE APPEAL BOND IS FIXED AT \$100

Case Not Yet Taken to Circuit Court and Shanahan's Attorney Says he Doubts if it Will be

### SOME OBJECT TO LOW BOND

The county commissioners before adjourning yesterday afternoon fixed the appeal bond in the famous election contest suit between Ora Cline and James Shanahan at \$100. Some objection was made by attorneys for Shanahan that the bond was too low as this amount would not cover the costs in the circuit court. One day's trial with 60 witnesses would make the costs more than \$100, but it was stated that this matter could easily be adjusted by the filing of additional bond even after the case reached the circuit court.

The bond was expected to be filed late today, although George W. Young, attorney for Shanahan, declared that he doubted if the appeal would be perfected. Shanahan, who was declared elected by the commissioners, and also on the face of the returns, has filed his bond for the office and will continue to serve as supervisor. If the appeal is perfected the case will likely come up for trial the next term of court.

## STRIP BORDER OF MILITIA BY MARCH

Administration Plans to Send Guard Home as Soon as Pershing's Column is Withdrawn.

### DECISION TO BE ANNOUNCED

By J. P. YODER.  
(U. P. Staff Correspondent.)

Washington, Jan. 13.—The administration plans to strip the border of its militia guard before March 1. Such action will be taken after General Pershing's column is withdrawn. Pershing's withdrawal is slated for an early date.

Official announcement of this will be made Monday at the final session of the American-Mexican peace commission in New York.

Still another step in the changed policy towards Mexico will be the sending of Ambassador Fletcher to Mexico City.

### BELIEVED TO BE DERANGED

(By United Press.)  
Kansas City, Mo., Jan. 13.—That Weldon H. Wells, Kansas City man arrested at Huntington, Ind., believed to be connected with the murder of Mona Simon in Columbus, O., is insane is the belief of his mother, Mrs. C. E. Benfer.

"I believe Weldon has been partially deranged for the past two years," Mrs. Benfer said. According to the mother, she and her husband have engaged an attorney to defend Wells in Columbus.

Miss Dorothy Thomas of Indianapolis is spending the week-end with her parents in this city.

Continued on Page 2.

## SOME OBJECTION TO HIGHWAY BILL

Only Criticism Heard Here is That Too Much Power Would be Lodged in the Engineer

### INTRODUCED BY LEM DOBYNS

Provisions of Measure Which if Passed Would Revolutionize Road Building Methods

As chairman of the committee on roads, Senator Lem Dobyns of Greensburg, who represents Rush, Hancock and Decatur counties, introduced the administration highway bill in the senate yesterday afternoon, as mentioned briefly yesterday evening. The same measure was introduced in the house by Representative Duffy of Indianapolis.

Some little objection has been voiced here to the provisions of the bill, the main one being that too much power would be placed in the hands of the engineer who would be employed by the highway commission. The measure provides that commissioners serve without salary. It is declared by many who have the interests of good roads at heart that commissioners serving without pay would not give the time required to the cause of Indiana highways and would leave most of the administrative work to the engineer, who would have it within his power if he were so disposed, to do a lot of harm.

The members of the commission would be appointed by the governor to serve for a term of four years. Not more than two members would be members of the same political party. Each official would be allowed expenses. One member of the commission would be named as state highway engineer who would receive a salary fixed by the commission.

The commission would have charge of the distribution of funds for highway purposes; supervision of construction of roads; and the building especially of main highways to be known as "Main Market Highways."

A "Highway fund" would be created by a tax of three cents on every \$100; proceeds of inheritance tax; proceeds from tax on petroleum and oils and fees from the licenses issued for autos. Counties would pay 50 per cent of the cost. The counties would be permitted to enter an agreement with townships through which the roads pass for the township to bear part of the expenses.

This fund, after deduction of expenses of the commission, would be apportioned among counties in proportion to the number of miles of main market highways in the county. No county would receive more from the fund than had been expended for roads in that county during the year.

### WANTS SIGN POSTS.

Indianapolis, Jan. 13.—Sign posts at cross roads and road forks giving directions to the nearest towns, will be erected throughout Indiana, if a bill to be proposed by Senator Charles Lanz of Bedford before the present legislature, is enacted. The posts, according to the bill, would be erected from money procured in fees from auto licenses. The work would be done by county supervisors.

### INSTITUTE AT ORANGE

The annual farmer's institute will be held at Orange on Wednesday of next week in the auditorium of the high school when a practical and interesting program will be given. Walter Rogers of Purdue university will address the men at the meetings and Mrs. W. M. Fordice will speak to the women. Dinner will be served at noon. School will be dismissed for the institute.

Miss Edith Wilk goes to Anderson this evening for a visit of several days with Miss Mary Vermillion.

## JUDGMENTS ARE TAKEN BY MANY

Several Defendants Allow Them to go by Default in the Circuit Court Today

### A DIVORCE SUIT IS HEARD

Case of Hazel May Against Walter May is Taken Under Advise-ment—Other Judgments

A number of judgments were taken by default today in circuit court. William E. Bowen was given a judgment for \$82.20 against John D. Green; Oliver Norris a judgment for \$65 and \$10 attorney fees against Leonard Alsop; Mossman Yarnelle and Company a judgment for \$61.97 against Earl Oneal and Henry G. Haekman a judgment for \$103.97 against Walter S. Ryse.

In addition to this business Judge Sparks heard a divorce suit and a petition to modify a decree in another case. He heard the evidence in the divorce suit of Hazel May against Walter May and took the case under advisement. Mrs. May alleged cruel and inhuman treatment and failure to provide.

The suit to modify was that of Albert Clark against Ethel Clark. Mrs. Clark obtained the decree and Clark alleges that under the terms he cannot meet the support allowances as required by the court. No decision was made in this case.

The court found for the Greer Wilkinson Lumber company by agreement against The Milroy Light Company, returning a judgment for \$59.39 and \$10 attorney fees. The suit was to foreclose a lien and the judgment is to stand as a lien against the property of the light company.

The suit to contest a will brought by Louisa Guttpel against the Farmers Trust Company and others will be taken out of the county if Judge Sparks acts favorably on a motion for a change of venue. The motion for a change of venue from the county was filed by the plaintiff.

The suit of Charles W. Flaitz against Hattie O. Havens on an account demanding \$85 was dismissed at the costs of the plaintiff. The suit was sent to this county on a change of venue from Shelby county.

The court appointed Flossie and Zula Jackson guardians for Ida Jackson, a person of unsound mind. Their bond was fixed at \$4,500.

## COSTS ONLY TWO LIVES

Property Damage From Dupont Explosion, However, is 2 Million

New York, Jan. 13.—Two million dollars property damage but at a cost of only two lives seemed likely at noon today to be the record of the Haskell, N. J., explosions of the Dupont Powder company's plant. Only two of the thousands in the danger zone were so seriously injured as to require hospital treatment, the Dupont company declared today.

The explosion shook four states and lit the midnight sky with a glare visible for hundreds of miles. Officials declare that there was an organized plot behind the explosions.

### SINKS 40 TURK VESSELS

London, Jan. 13.—The Russian naval squadron raided the Anatolian coast on January 6 and sank forty Turkish sailing vessels bound for Constantinople with heavy cargoes, according to an announcement attributed to the Petrograd naval staff by the Central News today. Sixty-three prisoners were reported captured.

Mr. and Mrs. Will McGuire of Indianapolis are spending the week-end with relatives in this city.

## CAN'T TURN THE TRICK

Kaiser Says Allies Will be Unable to Enslave Europe.

(By United Press.)

Amsterdam, Jan. 13.—"That the allies propose to crush Germany and enslave Europe is now made clear, but as they have been unable in 30 months of bloody war to conquer the central powers, so will their future efforts fail."

Kaiser Wilhelm thus summed up his belief of the entente powers position in a proclamation to the German people issued today. In it he declared his people were "ready for all sacrifices" and asserted his confidence in "full victory over the enemy."

## TWO MORE ARE ARRAIGNED TODAY

John Ricker Pleads Guilty to Giving Liquor to a Minor and is Fined \$20 And Costs

### OWEN SWEET IS INDICTED

Two of the last batch of fourteen indictments returned yesterday afternoon were accounted for when John Ricker was arrested for giving liquor to a minor and Owen Sweet for issuing fraudulent checks. Ricker was fined \$20 and costs when he pleaded guilty before Judge Sparks and his fine was stayed. Sweet gave bond and was released.

James C. Draper of Carthage was arraigned before Judge Sparks this morning on an assault charge and was released under \$50 bond. Draper was indicted by the grand jury, his indictment being in the list of twenty indictments, the second batch returned by the grand jury. This accounts for seventeen of the twenty indictments. Draper is alleged to have assaulted Frank Miller. It is claimed that he threw a meat cleaver at Miller when a dispute arose over a bill Draper alleged Miller owed him.

## PRIMARY PROBABLY WILL BE CHANGED

Bill Passed by Senate and Before House Provides it be Held Latter Part of August

### OTHER CHANGES FAVORED

Candidates who have announced themselves for the March primary and those who are contemplating doing so will have gone to a lot of useless trouble if a bill which the senate has passed and which is now before the lower branch of the Indiana legislature becomes a law. It provides that all city primaries outside of Indianapolis shall be held the first Tuesday after the third Monday in August and the first Tuesday after the third Monday in May in Indianapolis. The senate passed the bill under suspension of rules but the senate will not recognize the measure when it gets back from the house, according to statements of members of the house which have been made.

Representative McGonagle of Muncie, floor leader of the republicans in the house, is at the head of a movement to amend the bill so that the registration of voters could be held on the same day as the primary. This would meet with general favor among voters of cities the size of Rushville because the primary and registration make a heavy expense. It is also contemplated to do away with second choice voting.

Power to require Thomas W. Lawson and other witnesses to answer all questions was given to the rules committee by the house immediately when decision was reached by the committee to reopen the "leak" investigation and make it broader than ever.

Prof. William Jenkins returned to Bloomington this morning after a short visit in this city.

## I.U. ALUMNI HERE ARE ORGANIZED

Officers and Committees are Named at Foundation Day Celebration on Friday Night

### J. H. SCHOLL IS PRESIDENT

Dr. William Jenkins of the Faculty Describes Work Being Carried on by University

Following a program at the assembly room last night to commemorate the founding of Indiana University, a permanent organization of Indiana alumni was formed with J. H. Scholl, as president. Other officers are as follows: Perry Oneal, vice-president and Miss Marjory Smith, secretary and treasurer.

The committees of the organization are as follows: community cooperation—S. F. Stewart, Mrs. A. L. Gary and J. V. Masters; committee on publicity—Perry Oneal and H. Louis Mauzy; program committee—Miss Nelle M. Baldwin, Mrs. R. A. Mayse and Miss Mary Williams.

This organization expects to hold a Foundation Day meeting every year and all members will boost for the state school. A large number of enthusiastic alumni, students and friends attended the meeting. Dr. William Jenkins of the University was the speaker of the evening.

He told of the work being carried on by the university. Similar meetings were held throughout the state.

Dr. Jenkins told of the increased attendance at the university and of the plans for the future. Dr. Jenkins declared that the growth of the institution in summer school, medicine, and extension department work has been remarkable considering the funds at hand for maintenance compared with the amount spent by Illinois, Wisconsin and other universities.

Dr. Jenkins explained the work of the extension department of the university. He stated by means of this department the people of the state are being aided through correspondence study, lectures, classes for study, package libraries, lantern slides, moving picture films, community institutes, etc. The Rushville schools have been receiving some of these moving picture films this year.

Under the new organization it is likely that one of the intercollegiate debates held by state colleges will be held here. It is planned to have Indiana and Earlham debate here and plans to this end will be worked out.

## GIVEN POWER TO REQUIRE ANSWER

Rules Committee of House Decides on Complete Reopening of Investigation of "Leak."

### LAWSON WILL BE RECALLED

(By United Press.) Washington, Jan. 13.—Complete reopening of the house note "leak" probe was decided upon today at a meeting of the rules committee.

The committee announced it would subpoena in addition to Thomas W. Lawson, Donald McDonald who is alleged to have given information to Lawson and perhaps half a dozen or a dozen other witnesses.

Power to require Thomas W. Lawson and other witnesses to answer all questions was given to the rules committee by the house immediately when decision was reached by the committee to reopen the "leak" investigation and make it broader than ever.

Ben Stuttle of Andersonville made a visit here today.

## HOG PRICES GO UP TWENTY CENTS

Quotations Make Big Advance, With Receipts Only 500 Less—Wheat Down 2 Cents.

### CORN IS UP HALF OF A CENT

+++++  
Amusements  
+++++

The Princess offers the feature picture, "The Ballet Girl" for the first picture tonight. Alice Brady is featured. Always a fascinating subject, life behind the scenes is revealed in a more absorbing manner in this great picture than ever before. The story deals with the life of one of those who must, to the public, ever wear the mask of gaiety and vivacity no matter if the heart is breaking. In addition to this picture a comedy "Some Kid" will be shown. Monday night House Peters and Gail Kane will be seen in the drama "The Velvet Paw."

The Gem offers the three reel drama "The Cheaters" for the first picture tonight. Mary Fuller is featured. It is said to be a very dramatic offering. The other picture is a two reel comedy entitled "Lured But Cured." Gertrude Selby and Dan Russell are featured. "The Pillory," a Pathé feature play which will be shown at the Gem Monday, has a type known to all, a powerful and wonderful character, the severe unforgiving Christian woman, who elects herself the rigid deputy of God, depending upon Bible quotations to strengthen the dictates of her own narrow judgment. Florence La Badie is featured.

## WELLS THINKS HE CAN PROVE ALIBI

Man Held at Huntington, Ind., for Columbus, O., Murder Declares He is Innocent

### GOES UNDER ASSUMED NAME

(By United Press.)

Huntington, Ind., Jan. 13.—Wells H. Wells, held here awaiting the arrival of Columbus, O., authorities who have charged him with the murder of Mona Simon in a hotel at Columbus, is confident he will be able to prove his innocence by establishing an alibi, he told police today. Wells said that he left the Columbus hotel where he registered under an assumed name on Tuesday, going to Indianapolis. Police believe the Simon girl was murdered on Thursday night.

When Wells was arrested he had an Indianapolis hotel key in his pocket.

Chief Baker stated that he would not question Wells any further today pending the arrival of Columbus authorities.

### THREE MEETINGS HOLD ATTENTION

Continued from Page 1.

publicans and sinners, Scribes and Pharisees, Jesus, that divine orator who spake as never man spake, uttered some great truths. These cultured aristocrats of whom we have spoken point the finger of scorn at the Master and say this man keeps bad company. He associates with publicans and sinners. In answer to this accusation Jesus hangs up before them a beautiful word picture.

He paints the picture of a helpless sheep, astray and in peril, far from the fold, the shepherd seeking for it, finding it, placing it on his shoulder, carrying it back to the fold. And over it all he writes, 'Likewise I say unto you there is joy in the presence of the angels of God over one sinner that repented.'

"Now He hangs beside this another picture. He portrays the features of a poor Oriental woman who had lost a coin, her sweeping of the dusty floor, her diligent search, the finding of the piece of money, the calling together of her friends and neighbors to rejoice with her. And over all this the Master writes, 'Like I say unto you there is joy in the presence of the angels of God over one sinner that repented.'

"Two points invite our consideration. First the class of rejoicers. Second the cause of their rejoicing.

"The class of rejoicers are the angels of God. Angels are not all angels of God. The Bible tells us of a vast company of angels under the leadership of Apollyon. They are the angels of Satan. But the Bible tells us of a vaster company of sinless intelligences who are ministering spirits sent to minister to those who are the children of God.

I have heard of fathers and mothers and friends afame with joy as some dear one has been saved. But who can conceive of the exultation, the ecstasy, the transport of the angels when the prodigal returns and the fatted calf is killed, and he is reinstated in the father's home.

"Second, Why do the angels rejoice? Because of the repentance of the sinner. What is repentance?

Bible repentance is the most popular doctrine in the New Testament. It is the most neglected doctrine in the New Testament. For every sermon you hear on Repentance you will hear 20 on the love of God. We should remember that gospel repentence holds the field until Jesus recalls it. It was John the Baptist's theme.

The first public utterance of our Saviour was Repent. Among the last words that he spake to the world before he left it, when the nail marks were in His hands and the spike marks were in His feet and the spear wound in His side, were Repent."

### Red Head Sale Bills

If you are contemplating a Public Sale, call The Daily Republican for prices on Red Head Sale Bills, the kind that you see mostly around the country.

A penny shupper will be given by the Band of Workers of the First Presbyterian church on Wednesday January 17th, beginning at 5 o'clock. Don't forget the hour, day and date, and don't forget to be there. 2601

## FORCED TO TAKE UP NEW METHOD

England's New Cabinet Resembles Our City Councils Under Commission Form.

### PROBLEM IS NOW SOLVED

Queer Analogy Between Origin in That Country and This—Galveston Cited.

(By United Press.) London, Jan. 10.—(By Mail)—The cataclysm of a world war has forced England to apply real American methods to her government. Lloyd George's reorganized cabinet is but a glorified American city council under a commission form of government.

England, as a nation, was faced with exactly the same problems that confronted hundreds of American cities before the advent of the Galveston and Des Moines Plans for administering municipal affairs. Great Britain had a council that was unwieldy; its decisions were taken after ridiculously long debates and the mistakes it made could not be traced to any responsible source.

Such was the condition of affairs in Des Moines, Iowa, and other American cities during the time they labored under the old ward-council governments.

English people for two years have watched the government pile one misadventure upon another but the cost to them was not represented in money but in the lives of the nation's best men.

In one short week Lloyd George, England's strong man, wiped out an inefficient, ward-council plan of government and substantiated the commission of five men, who are held directly responsible for the conduct of the nation's affairs. Each controls certain portions of the country's business and each commissioner, or cabinet member, has been proved capable.

There also is a queer analogy between the origin of commission form of government in America and England. In the year 1878, there was a scourge of yellow fever in Memphis, Tenn., due to its poor sanitary system. The city had incurred a debt equal to its borrowing power and the legislature, in 1879, established a commission to take charge of its affairs. This was one of the first commission plans. In they ear 1900, Galveston, Tex., was overwhelmed by tidal wave which prostrated the city financially. It was placed under a commission government.

In the year 1916, England was on the verge of being overwhelmed by a world war and a commission plan of government was applied to its national affairs.

## TO SEND REGRETS TO EXECUTIONERS

Professor Masaryk, Under Penalty of Death in Vienna Believes He Will Stay in London.

### GUILTY OF HIGH TREASON

(By United Press.) London, Jan. 11.—(By Mail)—Professor T. G. Masaryk will have to send his regrets to Vienna when the time comes for his execution. Masaryk is scheduled to be the guest of honor at the killing but doesn't believe he will be able to attend.

The Austrian government conducted a regular orderly trial of Masaryk on charges of high treason. He was sentenced to death following a verdict of guilty. The defendant was in London where he remains today as a lecturer at the University of London.

Masaryk is one of the most interesting figure in the Slav political and scientific world. As leader of the progressives in the Reichsrath he was forever demanding liberation of the Czech nation from Austrian domination.

The outbreak of the war made things very uncomfortable for the professor in Austria so he left.

He had organized and led the opposition to Austria's annexation of Bosnia and Herzegovina.

**Johnson says**

Unless you are a physician or druggist you have no idea how much kidney trouble there is.

Elderly people suffer the most, because they have neglected themselves most.

The time to treat kidney trouble is when it is first suspected, thus preventing it, usually, from growing more serious.

The best "first aid to the kidneys" is

5½ Ounce Bottle Trial 50 Cents  
Large Size Bottle 12 Ounce \$1.00

### Buchu and Palmetto Compound

which contains Buchu, Saw Palmetto, Corn Silk, Couch Grass, Uva Ursi and Potassium acetate.

Any one who knows will tell you that science has not yet revealed any better combination of kidney remedies for acute kidney troubles.

People send to us for it from all parts of the county, and we know by what they say that it does them great good.

Let us send you a trial bottle, take it as directed and you'll get results. We guarantee it to you.

## STATE PLACED UNDER RECEIVER

Argentine Province Will be Straightened Out in Order to Elect Senators.

### PRESIDENT TAKES A HAND

Conservative Members Remain Away to Prevent a Quorum and Hold up Election.

Buenos Aires, Jan. 9.—(By Mail)

The Argentine state of Entre Rios, today is in the hands of a receiver, whose duty is not to wind up the province's affairs, but to straighten them out.

The Entre Rios receiver, or interventor, is Dr. Joaquin S. de Anchorena. The provincial governor is Dr. Miguel Laurencena. Dr. Laurencena is a radical, like national President Irigoyen. The Entre Rios legislature is due to elect two senators to send

to the federal upper house in Buenos Aires. On joint ballot the legislature is radical by a majority of two votes. Therefore the two senators presumably will be radicals.

The conservative members of the legislature do not want this to happen. Consequently they stay away from the sessions and Gov. Laurencena cannot get a quorum.

After repeated attempts to overcome this difficulty the governor appealed to the president. The president placed the situation in the hands of Dr. de Anchorena, as receiver, or interventor.

Federal intervention in the provinces is not unusual in Argentina.

When President Irigoyen went into office, as a radical, there were many predictions that he would radicalize all the conservative states by means of intervention.

This was the way in which it was prophesied President Irigoyen would do it, but there has been only one case so far.

If you have a Cough Ask for SAN-TOX HARGROVE & MULLIN

WIFE ASKS DIVORCE WHEN HUSBAND WON'T LET HER READ BIBLE

Columbus, Ind., Jan. 13.—Mrs. Mary Danforth, in asking for a divorce from her husband declares that he would not allow her to read the bible. Other charges are that he wouldn't allow her to use starch in washing clothes and that he locked up the chickens so she couldn't get eggs to eat.

## All Kinds of Farm Implements

have advanced in price, in fact everything you are compelled to buy has advanced but we have bought our entire stock of IMPLEMENTS and FARM SUPPLIES some time ago and bought them at a price that means a saving to you, because we are going to give you the advantage of our buying and only charge you a living profit on them.

Our stock is now complete and ready for your inspection and the sooner you buy what you need, the more certain you are of getting it

Personal Points  
Charles Carr of Homer spent the day here on business.

—Miss Ada McConner of Glenwood was a visitor here today.

—Miss Margaret King of Indianapolis spent the day in this city.

—Miss Mary Metsker of Arling-ton attended the institute here today.

—Mr. and Mrs. Birney Piper of Milroy were visitors here today.

—C. G. Clark and daughter, Miss Vira Clark, leave next week for Florida where they will spend the winter visiting in different resorts.

—Mrs. Jack Faust spent the day in Indianapolis with Mrs. Nelle Guy. Mr. Faust of St. Marys Ohio, is spending the week-end at his home in this city with his family.

—Miss June Lines of Butler College at Irvington is spending the week-end with her parents, Mr. and Mrs. Leroy Lines of Milroy. She was met in this city today by Mrs. Lines.

—Mrs. Arthur W. Winfield has returned to her home in Youngstown, Ohio, after a several weeks' visit with her parents, Mr. and Mrs. A. B. Norris of near Carthage. She was accompanied home by her sister, Miss Ramona Norris, who will remain for two weeks. On the way to Youngstown, they stopped off for a brief visit with Mr. and Mrs. Will Norris.

—Mrs. Fred Miller and children, Virgil and Elizabeth Ann, of Connersville arrive tomorrow afternoon for a visit of several days with Mr. and Mrs. J. H. Scholl. Mrs. Paul Peter Willis and son, John Paul, who have been visiting Mrs. Anna Marlatt, and Miss Mary Marlatt leave Tuesday for Winchester where they will make a short visit with their sister, Mrs. Ivan Brenner after which Mrs. Willis and son will return to their home.

—Mrs. Otis Crawford and daughter, Hazel, went to St. Paul this morning for a visit of several days with relatives.

—Mr. and Mrs. Verne Norris and Mr. and Mrs. Frank Capp were ex-

pected to return today from a visit of several weeks in Florida.

—L. L. Feree has returned home from Sturgis, Ky., where he has been the guest of his son, Charlie, and daughter, Mrs. Richeson.

Miss Margaret Kirk of West Third street is suffering with a severe case of tonsilitis.

## City Clerk

We are authorized to announce the name of Albert J. Sweet of Rushville, as a candidate for City Clerk on the Republican ticket, subject to the decision of the primary election, March 6th, 1917.

We are authorized to announce the name of Earl Osborne as a candidate for City Clerk on the Republican ticket, subject to the primary election, March 6th, 1917.

We are authorized to announce the name of Walter F. Easley as a candidate for city clerk on the Republican ticket, subject to the decision of the primary election of March 6, 1917.

## Minimum School Term.

Forty-four States have established by law a minimum term of from 60 to 180 days term of school for each organized district, according to a bulletin just issued by the Department of the Interior through its Bureau of Education. J. C. Muerman, who compiled the bulletin, points out that four States, Louisiana, Alabama, Rhode Island, and Georgia, have no minimum requirement laws, but that one of these, Rhode Island, has for over 10 years maintained the longest average term in the United States. While the minimum number of days required is almost invariably much less than the actual average number of days in the school term for the State, a majority of the States still report many schools unable to meet even the low minimum requirements. Within the past three years, 12 States—Arizona, Colorado, Idaho, Kansas, Maine, Nebraska, Nevada, New York, North Carolina, North Dakota, Vermont, and Wyoming—have added from 10 to 60 days to the legal requirement of a minimum school term.

Some of the factors that have operated in favor of a longer school term, aside from the general awakening of public sentiment, are the phenomenal growth of the public high schools, the development of State financial aid for weak districts, equalization funds, and penalties for not maintaining a minimum term required by law.

The growth of the public high schools has tended to lengthen the term in the elementary schools by setting up standards of admission by certificate or examination which can ordinarily be met by grade schools with a term of at least eight months.

Lack of provision for adequate funds is perhaps the greatest hindrance to a longer school term," declares Mr. Muerman. "A majority of the States have fully realized the necessity for more State financial assistance and have enacted laws giving State aid to weak districts to enable them to maintain a minimum school term. A wise provision in most of these laws makes the levy of a specified minimum rate of local taxation necessary and provides for a certain specified standard of school before aid becomes available. These laws are, as a rule, intended to help only those who first help themselves. The necessity of greater local co-operation and aid is urged in the 1912 report of the State superintendent of public instruction for Georgia. This report calls attention to a tendency to lean too heavily upon State aid, and cites the laws of another State which require a county levy of not less than 3 and not more than 7 mills before State aid can be secured."

In answer to an inquiry from the Commissioner of Education, over one-half of all the State superintendents have expressed a willingness to co-operate in securing a uniform 160 days' term for all schools, including rural schools. This would represent considerable improvement over present average of 137.7 days.

The Indiana Times brags of its dry record and W. D. Boyce, owner and publisher, sends a check for \$100 to the Indiana Dry Federation, yet this same newspaper supported Tom Taggart for United States Senator by every method to be conceived. Consistency is sometimes called a jewel.

Europe has again kicked the dove of peace into the official dump heap. But the baseball season will be along on schedule time and the office boy's grandmother will continue to die every Saturday afternoon. Cheer up and smoke up!

Fashionable club women are agitating the subject of birth control. It is a new sensation and will die a natural death when the newspapers cease exploiting it. Society loses interest as soon as it is shoved off the front page.

The United States government has decided to prosecute the paper trust. That sounds like action anyway.

## People's Column

Editor of the Daily Republican:—Referring to the publication in the Daily Republican a few days ago in reference to the protest filed against the William J. Brown road southwest of Milroy the publication states that the road is tied up and prevented from being accepted, from a personal and political standpoint and in order that the people may know the truth and have cause for just consideration, we the undersigned make statement as follows:

That from a political standpoint we are equally divided and that there is no place where politics could possibly have crept in. But our efforts in filing a restraining order was inspired from a careful and honest investigation of the road now in question. We found the road short of material and quality according to contract, which the commissioners have sustained.

The men signing the restraining order against receiving this road are not alone, but it is a public interest with all taxpayers especially of this township.

We have a right to defend ourselves against any injustice and referring back to the assertion in publication that it was personal and political influence that had dominated our cause, there is not a word of truth in it. The statement was made to deceive and influence and we assert our rights by saying that there has never been any cause for any personal feeling nor is there now, but purely a justifiable business matter.

JOSEPH GREEN,  
J. C. DARNELL  
A. C. SERIGHT,  
RICHARD FARLOW.

## POSTMISTRESS FIRST TO ENLIST MARINE RECRUIT.

Atlanta, Ga., Jan. 13.—Ye Feminino is rapidly outstripping her masculine rivals in military affairs, as a postmistress, like Joan of Arc, leads in the lure of the fighting man. In the activities of the postmaster campaign for recruits for the United States Marine Corps, the first person to receive the \$5.00 reward for the securing of a recruit for the "Soldiers of the Sea" was a woman, Miss Mary Rudihill, handler of the mails in Forsyth, Ga., who enlisted Richard Ponder of that place, according to First Sergeant Ernest H. Galway, of the local Marine Corps recruiting station.

"There may be nothing in a name," mused Galway, "but he was the first, and that makes one ponder."

HE HAD LOST JOB.

San Francisco, Cal., Jan. 13.—Policeman Robert Horel has a soft job. All he had to do was make a beat 2000 miles long; handle the cases on 13 islands; climb mountains 38000 feet high after prisoners and collect the tolls from 4500 people.

Policeman Horel comes from the Harquesa group of islands in the mid-Pacific. He arrived on the liner Moana.

"The job was too soft. I'm going to France and fight," he said.

**Wolcott Says—"Sherwin-Williams' Paints"****Purchasing Power of Important Commodities Expressed in Terms of SWP**

In this table the retail price of SWP Outside Gloss White in 1914 and in 1916 is taken for purpose of comparison. The prices quoted are taken from U. S. Government statistics

Cotton 1914	550 lbs Cotton @ 10c per lb	\$ 55.00	divided by \$2.00	27½ Gals. SWP
Cotton 1916	550 lbs Cotton @ 18c per lb	\$ 99.00	divided by \$2.80	35 35/100 Gals. SWP

**Retail Prices**

SWP 1914	\$2.00 per Gal.	SWP 1916, \$2.80 per Gal.	Increase 40%
Sugar 1914	5c per lb.	Sugar 1916, 7½c per lb.	Increase 50%
Flour 1914	½ bbl. 75c	Flour 1916 ½ bbl. \$1.22	Increase 60%
Gasoline 1914	10c per Gal.	Gasoline 1916, 20c per Gal.	Increase 100%

**Comparison of Wholesale Prices**

1914	1916	Increase
SWP Outside Gloss White \$1.55	SWP Outside Gloss White \$2.15	7/10%

Average price of builders' hardware during same period advanced 60%. New York Annalist shows following comparisons of average wholesale price of 25 food commodities.

1914—142

1916—198

Increase—40%

The prices and markets shown above are as of November 1st. Since then further advances have taken place which make the comparisons of even greater value. Cotton, for example, has advanced from 18c to 30c; Copper from 28c to 35c, etc.

Cleveland, November 23, 1916.

**F. E. Wolcott**  
Agency for the Sherwin Williams Paints and Varnishes.**HOOSIER BRIEFS**

(By United Press)

Franklin — Samuel Sandefur, wealthy farmer, during his lifetime died \$79,879.52 among his seven children. When he died he left an estate valued at \$104,462.30. This is willed to the children.

Markleville—A farmer's Institute was held here today.

Kokomo—The Kokomo Bowling Association opened its first annual tournament.

Vincennes — Indiana University alumni of Knox county and friends of the university will hold their annual meeting here tonight.

Seymour—The Indiana Alumini Society of Jackson county will hold its annual meeting here tonight. Friends of the school are invited to attend.

Marion—Phone "cussing" will be prohibited in the future according to an announcement made by the Marion Telephone company.

Seymour—The Rider Packing company will open a plant here soon. It will be the largest of three plants operated by the company.

Vincennes—As a result of a judgment against the Fair Association here it is probable that the fair grounds will be put under the hammer by the sheriff and sold to the highest bidder soon.

Muncie—Members of a Muncie sorority have established a day nursery here to care for children under 6 years of age and babies, whose mothers are working away from home. The rate charged is ten cents a day.

Frankfort—Expenses of Frankfort as a municipality during 1916 were \$183,326.52. The receipts of the city were \$183,691.70 according to the report of the city treasurer.

**CITY EDITORS MEET.**

Indianapolis, Ind., Jan. 13.—The midwinter meeting of the Indiana City Editors association opened at the Claypool hotel and will continue until tomorrow. Charles A. Bookwalter, former mayor of Indianapolis and a printer, will be the main speaker at the banquet to be held tonight. Other speakers will be Miss Helen Ernestinoff, Indianapolis and Marion Swander, Logansport. The business meeting of the organization will be held tomorrow.

We have made up another lot of scratch pads and are now on sale at the Republican office.

**JINNETT HAS BILL.**

(By United Press)

Indianapolis, Ind., Jan. 13.—Municipal ownership and home rule for cities will be brought before the legislature by Representative W. R. Jinnett in a bill calling for ownership of utilities by municipalities. Jinnett probably also will introduce the bill providing for the state highway commission.

**SAD DAY FOR FREE LUNCH.**

(By United Press)

Detroit, Mich., Jan. 13.—Twenty thousand patrons of bar room lunch counters in Detroit will have to find new eating places after May 1, 1918, when Michigan goes dry. It is estimated that this number of men eat their noonday meal in saloons, where the profits of the bar trade enables the proprietors to give better and cheaper service than can the regular restaurants.

Saloon men declare that 50 per cent of their "eating patrons" never touch intoxicants.

### BUSHVILLE LOSES TO RICHMOND FIVE

Slick Floor is Handicap to High School, Which is Defeated by Score 43 to 18

#### AME IS A CURTAIN RAISER

The big Richmond floor, which is unusually slick from constant use as a skating rink, coupled with the fast team work of the Richmond team, combined in the way of a handicap and Rushville lost the game there last night by a score of 3 to 18.

Despite the one-sided score the game was fast and some pretty plays enlivened the game. The first half ended 24 to 8 in favor of Richmond. At no time was Rushville dangerous. The team slipped and slid over the big floor and inability of the members to keep their feet ded greatly in the Richmond victory. The game was played as a curtain raiser to the Earlham-State normal contest.

Oneal, the Richmond forward, was the individual star of the contest, taking 23 of Richmond's points, while the other forward followed in closely registering a total of 8 field goals. The lineups and summary follow:

Richmond (43)	Rushville (18)
Oneal	Thorpe
Forward	Forward
ssup	Oakley, Keating
Arker	Forward
Center	Martin
Bride	N. Reed
elton	Guard
Guard	Newhouse
Field goals—Oneal, 9; Jessup, 8; Arker, 2; Thorpe, 3; Oakley, 2; Martin, 2.	Alabama, H. C. Ryding, Birmingham; Arizona, C. P. Cooley, Holbrook; Arkansas, E. R. Tansil, Blytheville; California and Nevada, H. Pfirrmann, Los Angeles; Colorado and New Mexico, R. A. King, Delta, Colo.; Connecticut, A. L. Chamberlain, New Haven; Delaware, W. Edmanson, New Port; Florida, T. H. Evans, Orlando; Georgia, H. Brad Tims, Atlanta.
Foul goals—Oneal, 5; Thorpe, 2; Martin, 2.	Idaho, E. M. Sweeny, Twin Falls; Illinois, G. C. Burmeister, Chicago; Indiana, Roy Pickett, Frankfort; Iowa, William Ridley, West Chester; Kansas, George Grubb, Wetmore; Kentucky, J. D. Cay, Pine Grove; Louisiana, E. T. Wadley, Alexandria; Maine, E. A. Randall, Portland; Maryland and District of Columbia, M. G. Gill, Baltimore; Massachusetts, George L. Osborn, Brookline; Michigan, J. L. Bryant, Ceresco; Minnesota, S. W. Hamilton, St. Paul.

### TRAP SHOOTING SHOWS GROWTH

More Money Invested Annually in Sport of Making Dust Out of Clay Pigeons

#### LARGE MEMBERSHIP SHOWN

Forty-Eight States Held Championship Events Last Year—Prospects Bright

(By United Press.)

New York, Jan. 12.—Figures from various powder and gun manufacturing concerns, issued at the end of the year, show conclusively that more money is invested annually in the fast-growing sport of making dust out of "clay pigeons" than in any sport with the exception of golf. Trap-shooting clubs do not spend lavishly on greens or clubhouses and miss that expense.

The growth of the sport is shown by the fact that forty-eight states last year held championship shoots. Conservative estimates are that 50,000 names were added to the enrollment in gun clubs throughout the country.

The champions for the year by states are:

Alabama, H. C. Ryding, Birmingham; Arizona, C. P. Cooley, Holbrook; Arkansas, E. R. Tansil, Blytheville; California and Nevada, H. Pfirrmann, Los Angeles; Colorado and New Mexico, R. A. King, Delta, Colo.; Connecticut, A. L. Chamberlain, New Haven; Delaware, W. Edmanson, New Port; Florida, T. H. Evans, Orlando; Georgia, H. Brad Tims, Atlanta.

Idaho, E. M. Sweeny, Twin Falls; Illinois, G. C. Burmeister, Chicago; Indiana, Roy Pickett, Frankfort; Iowa, William Ridley, West Chester; Kansas, George Grubb, Wetmore; Kentucky, J. D. Cay, Pine Grove; Louisiana, E. T. Wadley, Alexandria; Maine, E. A. Randall, Portland; Maryland and District of Columbia, M. G. Gill, Baltimore; Massachusetts, George L. Osborn, Brookline; Michigan, J. L. Bryant, Ceresco; Minnesota, S. W. Hamilton, St. Paul.

Mississippi, F. P. Fitzgerald, Clarksdale; Missouri, C. B. Eaton, Fayette; Montana, C. P. Tilsey, Moore; Nebraska, F. H. Rudat, Columbus; New Hampshire, H. E. Thompson, Manchester; New Jersey, Cleve Speer, Passaic; New York, H. J. Pendergast, Phoenix; North Carolina, J. R. Pennington, Tarboro; North Dakota, Frank Holland, Devils Lake; Ohio, M. S. Hootman, Hicksville; Oklahoma, J. N. Walker, Spiro; Oregon, F. H. O'Brien, Portland; Pennsylvania, Allen Heil, Allentown; Rhode Island, W. J. Weaver, Providence.

South Carolina, J. H. Staples, Charleston; South Dakota, A. C. Buzzell, Valley Springs; Tennessee, Tom Hale, Mt. Pleasant; Texas, E. F. Forsgard, Waco; Utah, A. P. Bigelow, Ogden; Vermont, Douglas H. Barclay, Barre; Virginia, Dr. L. G. Richards, Roanoke; West Virginia, W. Va., Weidebusch, Fair-

### MILROY SEEKS TO HAVE EDGE

Championship of Smaller High Schools Apparently Lies Between That School and Homer

#### THREE GAMES BEFORE NOON

Two Played This Afternoon, Beginning at 2:30, and Final Will be Tonight

Results Morning Games

Sandusky 26; Homer 36. Manilla 27; Clarkburg 9. Milroy 27; Moscow 27.

The basketball tournament of the smaller schools of Rush and Decatur counties held today at Milroy attracted a large crowd. All of the games were hotly contested. The tournament opened this morning. The semi-finals were to be played this afternoon and the final game for the championship tonight.

Comparative scores of the morning games indicated that Homer and Milroy would fight it out for the championship tonight. Sandusky fell before Homer in the first game of the tournament this morning by a score of 36 to 26. In the second game Manilla eliminated Clarkburg by a count of 27 to 9. In the third game of the morning Milroy had little difficulty in winning from Moscow, the score being 43 to 27.

St. Paul was scheduled to play Homer in the first game this afternoon. By winning this game Homer would be assured a place in the final game tonight. The second game of the afternoon was to be between Milroy and Manilla. Milroy was the favorite and by winning would thus be the opponent of Homer in the championship game.

Seven schools participated in the tournament and each school had a delegation of rooters present. Prof. Wiley of the Greensburg high school acted as referee and Merle Pierson of the local high school acted as official scorer.

A curtain raiser between two star teams will precede the big game tonight. The two teams will be selected by the referee from the players on the teams eliminated during the play today. The semi-finals started this afternoon at 2:30 o'clock.

The visiting teams and delegations were fed at noon by the domestic science class of the Milroy high school.

#### ABLE TO GET AMMUNITION

(By United Press.)

Galveston, Texas, Jan. 13.—Practically the entire state of Vera Cruz is controlled by revolutionists and Felix Diaz is receiving all the ammunition he wants from this country, it being first sent to South American ports for trans-shipment. This was reported today by passengers arriving here today.

Mount; Washington, F. N. Troch, Vancouver; Wisconsin, A. Bushman, Burlington; Wyoming, Max Weick, Laramie.

#### MISS MATTIE NESBIT DIES

Word was received today of the death this morning of Miss Mattie Nesbit, age about 46 years, at the home of Miss Belle Hickman, near Greensburg, of a complication of diseases. She is survived by two sisters, Mrs. Ora Hite and Mrs. Mary Cowan of near Milroy, and one brother, Charles Nesbit of Indianapolis.

#### KNIGHTS OF PYTHIAS

Will have work in the Rank of Esquire Monday night.

#### BAKES 4,741 PIES IN YEAR

Mrs. Selma Webb probably holds the record for making pies for last year, for although she is sixty years of age, during the year 1916 she made 4,741 pies. There were only 28 days out of the year when she made none, and on some days she made as many as 40 pies, of ten different kinds. The pies were for Mr. Webb's restaurant.

Seasonable Ideas Concerning The Fashions That Interest Women

# WOMAN'S PAGE

Receipts and Suggestions That Are Helpful to The Housekeepers

## Many Economical and Novel Ways To Prepare Meat to Meet H. C. L.

Meat along with everything else is showing the affects of the high cost of living. Since it is becoming a luxury, the housewife is all the more anxious to prepare it in economical and novel ways. The following tested recipes are a few suggestions.

Mock Turkey.

Flank or skirt steak, 2 cupfuls moistened bread, 1 onion, 2 teaspoons thyme, salt and pepper.

Wash the steak and roll in a pocket. Sew up one end and make a dressing of the stale bread soaked in water, thyme, chopped onion, salt and pepper. Fill the pocket with dressing and sew up the other end. Sprinkle with salt and pepper and roast, basting frequently with the essence.

Steak-Potato-Onion Roast.

Take a round steak, about two and one-half or three pounds; line roaster with it, salt and pepper, slice the meat, then slice over potatoes the same quantity of onions; salt and pepper; put good sized piece of butter between and on top; add a little water, cover and roast one to one and one-half hours.

Mutton and Tomato Pie.

Cover the bottom of a buttered baking dish with bread crumbs, over this a layer of sliced tomatoes, then slices of cold roast mutton. Season with a half-teaspoon of salt and a dash of pepper; also dot with one tablespoon of butter. Over this spread another layer of crumbs, then tomatoes, then meat, then another layer of tomatoes for the top. Season as before with salt, pepper and butter. Bake in a moderate oven three quarters of an hour, and serve at once.

Chicken in Aspic.

Cold chicken cut in small pieces, 4 cupfuls clear chicken broth, 1 spring gelatine,  $\frac{1}{2}$  bay leaf, 1 slice genetine, broth,  $\frac{1}{2}$  bay leaf, 1 slice lemon, Few dried celery leaves, salt. The chicken broth should stand over night so that all fat can be removed. In the morning add seasonings and boil for fifteen minutes. Strain and add gelatine, which has been soaked in three tablespoonsfuls of cold water, to three cups of the broth. When the jelly has cooled pour a little into a mold and when nearly firm lay in the slices of chicken. Let stand until firm and then pour in the rest of the jelly very gently. The remainder of the jelly should be kept where it will stay liquid, but not warm, until ready to use. Set in ice box and when firm turn out on a platter and garnish with parsley.

Cold Meat Patties.

Chop very fine any meat left over from dinner, add a pint of cold chopped potatoes, 2 onions chopped fine, 2 well-beaten eggs and salt and

pepper to taste. Make into cakes and brown on both sides.

□ □

Baked Slice of Ham With Milk Gravy.

Material—1 slice of ham about 14 pounds, 1 cup milk, 1 tablespoon flour, a little pepper, 1 teaspoon sugar.

Utensils—Bakepan, small saucepan, measuring cup, tablespoon, teaspoon, small knife.

Directions—Put the ham in pan; cover with cold water; bring to boil and simmer slowly 25 minutes; drain, dust with sugar and put in hot oven to brown. When brown put on hot platter; then put the flour in pan; stir until smooth; then add the cold milk, slowly stirring until thick and smooth. Boil 3 minutes; pour over ham; garnish with parsley.

□ □

Salmon Croquettes.

I can salmon, 1 tablespoon butter,  $\frac{1}{2}$  cupful bread crumbs, 2 raw eggs, yolks of two hard-boiled eggs.

Mince the fish; work in the butter slightly warmed, the powdered yolks, raw eggs, and finally the crumbs. Form into any shape desired, roll in dish covered thickly with flour and fry in hot fat. Place on a dish in a figure resembling a star, with rounds of boiled carrot in the vacant spaces and around the edges. Garnish with parsley.

□ □

Pork With Spaghetti.

2 pounds cold pork, Tomato sauce, Pork drippings, 1 package spaghetti, salt and pepper.

Over the spaghetti, which has been boiled and cut in pieces of about one inch, pour the tomato sauce and the pork drippings saved from the roast. Into this drop the pork cut into small pieces and cook for about twenty minutes, stirring frequently. Season to taste.

□ □

Sausage Biscuits.

When making buttermilk or baking powder biscuits, cut as usual, then roll each biscuit larger. Take a small cake of sausage and place in the center of dough and brinck all edges up till sausage is entirely covered. Put in bread pan and bake same as ordinary biscuits. By the time the dough is browned and done the sausage is also done. These are fine, as all the flavor of the meat is in the bread.

□ □

Cold Meat Patties.

Chop very fine any meat left over from dinner, add a pint of cold chopped potatoes, 2 onions chopped fine, 2 well-beaten eggs and salt and

### Your Point of View.

It is all in the point of view one takes in life whether the results from observation will be harmful or helpful. Two people can look at the same thing, and their deductions will be altogether different.

Take, for instance, a beautiful landscape. An artist looking at the stretch of beauty before him would immediately think how he might reproduce it for the world on canvas, while a writer gazing upon the same scene would think rather of the descriptive words which might convey the sheer beauty of the scene to others.

The greatest motion picture producers of the day "shoot" at a scene from several different angles. That is, the players will act a scene two or three times after the rehearsals are over, and each time they go through their actions the cameraman will stand at a different point to photograph the scene. Sometimes identically similar actions are hardly recognizable from the different viewpoints.

In every-day life the old gentleman who feels every gust of wind as though it were a sharp knife running

down his spine can, upon awakening on a winter's day to find the world nestled under a downy, white blanket, think only of the discomforts he must suffer. The little boy, however, is at once delighted at the prospect of the snow-forts he can build and of the sleigh rides he may enjoy.

Ah, yes, it's all in the way we look at things. Our viewpoint either makes or mars existence. But the most vital part of it all is that it rests with us what viewpoint we take. Nobody is born on the wrong side of the line. Very often we are inclined to walk there until it is so hard to get back to the right path again that we give up in despair and are ready to find fault with everything and everybody about us. We are like the cross little girl who thinks everybody about her is disagreeable and never for one tiny moment thinks that the fault may be within herself.

Let us in the future choose the right side of life. Refuse emphatically to look at the dark, cloudy side for the smallest second. I'm sure the world will seem greatly improved for the effort.

The Royal Neighbors will have a called meeting on Monday evening.

At this time all regular business will be brought up. The drill teams as well as every member are urged to be present.

\* \* \*

The Mission Circle of the Fairview Christian church will meet tomorrow afternoon in the church. An interesting program has been arranged.

\* \* \*

Mr. and Mrs. Birney Piper entertained last evening at their home in Milroy when 18 guests spent a delightful evening at progressive Rook. Pretty decorations brightened the rooms where the guests were entertained. Dainty refreshments of ice cream and cake were served.

The members of the D. T. Club Club were entertained by their husbands last evening at the home of Mr. and Mrs. Charles Frank. The hosts prepared and served the oyster supper. Following, the guests played progressive Rook during the evening.

\* \* \*

The Ladies Aid society of the Homer Baptist church gave a pitch-in dinner at the home of Mr. and Mrs. Frank Crim on Thursday. The families of the members were guests, making about 79 in all. A bountiful dinner was served. The next meeting will be held the second Thursday in February.

\* \* \*

A pitch-in supper was given at the home of Mr. and Mrs. Cliff Power in Milroy last evening. The service of the elegant supper was followed by a social evening when several musical numbers were furnished. Guests at the supper were Mr. and Mrs. Wilbur Meek, Mr. and Mrs. Ray Power, Mr. and Mrs. Bert Buell, Mr. and Mrs. Leroy Lines, Mr. and Mrs. Joe Michael and Mr. and Mrs. Clyde Archie.

\* \* \*

About 125 members of the Rebekah lodge were present at the installation of officers held in the lodge rooms last evening. During the social which followed, the incoming officers acted as hostesses. The drill team gave an exhibition and afterwards officers were installed. Delicious refreshments were served during the latter part of the evening. The following officers took their places: Noble Grand, Mrs. Bessie Moore; vice-grand, Mrs. Arnold Ormes; warden, Mrs. Elsie Pittman; conductor, Mrs. Noley Newhouse; chaplain, Mrs. Roy Mitchell; inside guard, Mrs. Vivian Headlee; recording secretary, Mrs. Maggie

## New Suits, Frocks and Wraps Are a Solid Mass of Stitching

"Don't Think for a Minute," Writes Margaret Mason, "That You Can Escape Having a Stitch in the Side For if You are Very Chic You Will Have Them in Both Sides and in Front and Back as Well"—French Knot Stitch is Knotty But Nice and the Darning Stitch is Always Well Worn.

BY MARGARET MASON.  
(Written for United Press.)

Grandma said she dropped a stitch; I didn't see it fall—I've hunted for it everywhere And can't find it at all.

Grandma says she's picked it up; I didn't see her do it. I guess old folks are pretty spry If we only just knew it.

New York, Jan. 13.—For goodness sake, if you drop a stitch be sure to pick it up again, for you will need them all. The newest and smartest suits, frocks and wraps are a mass of stitching up one side and down the other.

Don't for a minute think you can escape having a stitch in the side if you are very chic you will have them in both sides and in front and back as well. The old adage, a stitch in time saves nine, must go in the discard, for who wants to save nine now when Fashion decrees that to be really smart you must be simply prodigal with stitches.

"Stitch, stitch, stitch" began "The Song of the Shirt," but now it is the beginning and the end also of every swagger article of wearing apparel. Of course it is the French who have stitched us up in this mad fashion and they have decreed that the stitching must be done either in bright and varicolored contrasting hues or in a tone darker than the material on which the stitches are taken.

Wide bands of stitching run around the bottoms of skirts, checker board designs of stitching runs criss cross on a blouse, stitching runs around sleeves and up and down 'em and stitching running up and down a skirt in stripes or running around it is the thing. No matter which way you turn you run into these omnipresent stitches somewhere in the running. Strange to

Wright; financial secretary, Mrs. Frank McIlwaine; treasurer, Mrs. James Gregg.

\* \* \*

The bi-monthly meeting of the R. C. S. Club was held with Mr. and Mrs. Frank George of near New Salem last evening when thirteen of the club members were present for the social evening together.

\* \* \*

There will be no regular meeting of the Ladies Aid society of the St. Paul's M. E. church on Tuesday of next week on account of the revival services which are being held at the church.

\* \* \*

When peeling potatoes, apples, peaches, etc., spread a paper on the table and drop the peelings on it, and when through gather up paper containing the refuse and despatch it to the flames or garbage can.

On sweeping days, newspapers moistened and torn into small bits and scattered over the carpets or rug will prevent dust from blowing about.

When sealing and cleaning fish, place it on heavy brown paper. This holds all refuse. Chickens can be cleaned in like manner. Select a clean piece of white wrapping paper when flouring chicken, meat or fish for frying.

When making pies, cookies and biscuits, use smooth white paper to roll the dough out on, instead of a kneading board. This is more satisfactory and you will have no sticky mess to clean, which saves time and labor.

Line the cake pans with white paper well greased. This prevents the cake from burning or getting too brown, and also from sticking to the pan.

Place the baby's high chair on a newspaper at meal time, to catch the crumbs and food baby drops, and the rug will not be soiled and the paper and waste can be rolled together in a moment.

Mr. and Mrs. Sam Young have received word from their son, Dr. E. E. Young of Kokomo who has been ill for some time and is in a hospital there, that he is improving very rapidly.

# SOCIETY

## Social Calendar

### Monday

Royal Neighbors called meeting, in the evening.

Monday Circle, with Mrs. Roy Waggener at 1032 North Morgan street, in the afternoon.

Coterie Club, with Mrs. C. M. George at Main and Twelfth streets, in the afternoon.

Tri Kappa sorority, with Mrs. Jack Knecht at 221 North Harrison street, in the evening.

Dance in Phi Delta Kappa hall. Cabaret program by Troubadours of Chicago from 8:15 to 9:30. Dance following.

The Thursday Afternoon Bridge Club will be entertained on Tuesday of next week by Miss Chestina Stiers at her home in East Sixth street.

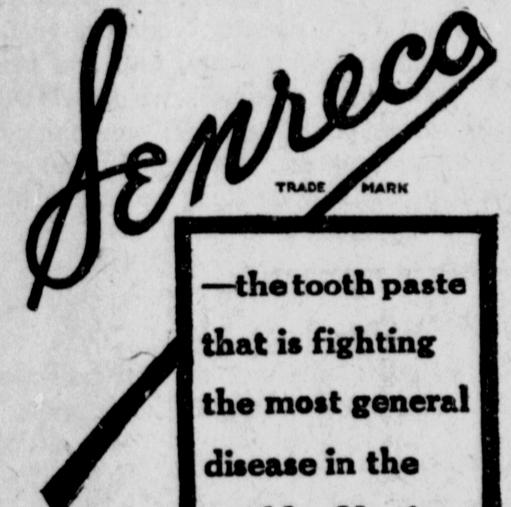

## BEGIN HOT WATER DRINKING IF YOU DON'T FEEL RIGHT

Says glass of hot water with phosphate before breakfast washes out poisons.

If you wake up with a bad taste, bad breath and tongue is coated; if your head is dull or aching; if what you eat sour and forms gas and acid in stomach, or you are bilious, constipated, nervous, swallow and can't get feeling just right, begin inside bathing. Drink before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it. This will flush the poisons and toxins from stomach, liver, kidneys, and bowels and cleanse, sweeten and purify the entire alimentary tract. Do your inside bathing immediately upon arising in the morning to wash out of the system all the previous day's poisonous waste, gases and sour bile before putting more food into the stomach.

To feel like young folks feel; like you felt before your blood, nerves and muscles became loaded with body impurities, get from your pharmacist a quarter pound of limestone phosphate which is inexpensive and almost tasteless, except for a sourish twinge which is not unpleasant.

Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels. Men and women who are usually constipated, bilious, headache or have any stomach disorder should begin this inside bathing before breakfast. They are assured they will become real cranks on the subject shortly.

A  
DENTISTS  
FORMULA

VEGETABLE  
CALOMEL

Vegetable calomel, extract of the root of the old-fashioned may-apple plant, does not salivate. As a liver stimulator, it's great. It's a perfect substitute for ordinary calomel (mercury); in fact, it's better, because its action is gentle instead of severe and irritating—and it leaves no mean, disagreeable after-effects. Physicians recognize this and prescribe may-apple root (podophyllin, they call it) daily.

Combined with four other standard, all-vegetable remedies, may-apple root may now be had at most any druggist's in convenient sugar-coated tablet form by asking for Sennetel Laxatives. If you forget the name, ask for the box that has the picture of the soldier on it.

These tablets are small, easy to take and are really wonderful little performers.

They quickly clean out the poisons that are causing you headache, constipation, sour stomach, biliousness, dizzy spells, bad breath and coated tongue.

They are mild. They never gripe. And they are a bowel tonic as well as a cleanser and liver regulator. A 10c box should last one several weeks. A Physician's trial package (4 doses) will be mailed you free if you write mentioning this advertisement. The Sennetel Remedies Co., 802 Madison Ave., Covington, Ky.

## HEALTH BILL TO BE INTRODUCED

Dr. W. F. King Would Have Law Providing for Compulsory Medical Examination

### OF ALL SCHOOL CHILDREN

(By United Press)

Indianapolis, Jan. 13.—Dr. W. F. King, of the state board of health has prepared a bill to be presented to the legislature providing for compulsory health supervision of pupils in all Indiana schools. The law would provide for dental inspection and treatment of the children.

Health inspections and examinations statistics show that 75 percent of the school children of the state are suffering from physical handicaps which prevent their highest school efficiency and which are a constant source of unnecessary sickness," said Dr. King today.

"From 75 to 95 percent of the children have decayed teeth and diseased mouths; 25 to 40 percent, defective vision; 15 to 25 percent diseased tonsils; 10 to 15 percent, adenoids; 5 to 10 percent, have defective hearing. In addition to these there are thousands of cases of heart weakness, anemia, tuberculosis and pre-tubercular conditions. Practically nothing is being done to discover these conditions or to provide for their treatment. More than 3,000,000 days were lost from school in 1915-16 because of preventable sickness."

The proposed bill would make compulsory health inspection and supervision after 1918. It provides for service of school, nurses and dentists as well as physicians. One serious fault with the present law is that no provision is made for the employment of nurses and dentists.

### Freemans.

The Rev. and Mrs. U. G. Abbott of the Richland church attended the Hopewell quarterly meeting.

Mrs. Mattie Kennedy and sister, Mrs. Maggie Lanning, attended church at Hopewell on Thursday.

Mrs. Frank Wilson is suffering with an attack of the measles.

The Rev. Charles Rector, who has been conducting a revival meeting at Hopewell, has returned from his home in Gaston where he made a short stay on business. The pastor, the Elder Lyfe, preached during his absence.

The two children of Mr. and Mrs. Riley Wilson have the measles.

Roscoe Lefforge made a business trip to Rushville Thursday.

### Richland and Vicinity.

Mrs. Mary Morgan of Rushville is staying with Mrs. Margaret Stewart who has the rheumatism.

The teachers of Richland township attended institute at Milroy.

Willard Farthing, Robert Higgins and Albert Schrader of Clarksburg were visitors in this place Sunday evening.

Jesse Grigsby and Noland Hood were visitors in Indianapolis, Tuesday.

The Rev. U. G. Abbott conducted the M. E. church service here Sunday morning.

Paul Green has left for Cincinnati where he will attend college.

Dallas Hardwick was the guest of his parents, Mr. and Mrs. Eli Hardwick Sunday.

Mrs. E. L. Wimmer is staying with Mr. and Mrs. Aylett Wimmer whose little son, Robert, is very ill.

### Union Township

Mr. and Mrs. Frank Logan and son Russell and Wayne and Mr. and Mrs. Ross Logan and son William and Floyd Vickery took dinner with Mr. and Mrs. John Logan and family Sunday.

The Misses Opal and Marie Kiser were guests of Miss Ozella Clifton Saturday night and Sunday.

Miss Ida Foley visited Mr. and Mrs. Will Eldeman of Rushville Saturday night and Sunday.

Mr. and Mrs. E. A. Billings were guests of Mr. and Mrs. George Billings and family Sunday.

Mr. and Mrs. Elmo Hires and son Cedric visited Mrs. George Hires and daughters Wednesday.

Mrs. Martha Grindle of Rushville visited Mr. and Mrs. H. S. Bell Wednesday.

# Is the War Approaching a Climax?

When the ten Allies slammed, if they did not lock, the door of diplomacy, in the face of the Central Powers' request for a peace conference, what did the act portend for Europe, for Canada, and for the United States?

In THE LITERARY DIGEST, dated January 13th, there is a most comprehensive review of the peace negotiations from all angles.

The first impression of the German press, as gathered from Berlin dispatches, is that the Entente's reply could only be answered by the sword. "Let Hindenburg answer," exclaims the Berlin *Lokal Anzeiger*. Other German and Austrian editors are confident of victory and equally energetic in citing their opinions.

Press comment in the Entente nations endorses the rejection of Germany's proposals, and expresses confidence in ultimate victory for the Entente Allies.

The London *Morning Post* quotes its Budapest correspondent's statement that peace proposals of the Central Powers are prompted by "the knowledge that relief must come within six months from the present time at the outside, if internal troubles of the most serious character are to be avoided," since "in Austria-Hungary the available stocks of food will not last even for six months."

Read THE LITERARY DIGEST this week by all means, if you would get a true perspective of the peace negotiations up to date.

### "The Digest" An Impartial Chronicler of the War

A great war such as that now decimating Europe tends to push men very far apart. The ideals and ideas for which each group is striving become necessarily more and more emphasized as time goes on, which tends inevitably to foster in each faction a point of view so alien to that of the other that it is almost impossible for its adherents to form a fair

estimate of what their opponents think or do. How then shall we of the West arrive at an impartial judgment as to the positions and aims of the various combatants? The answer: Read THE LITERARY DIGEST, which gives without bias the views of both sides. This is the one perfect solution of this difficulty. Better begin reading it to-day.

# URGES THAT ONLY THE TRUTH BE TOLD

Exaggerated Statements to Children  
About Liquor and Tobacco  
Work Hardship.

**STATEMENT BY DR. MITCHELL**

(By United Press.)

Indianapolis, Jan. 13.—A plea to teach school children only the actual truth regarding the effects of alcohol and tobacco on the body, was made by Dr. H. H. Mitchell of the state board of health in an interview with the United Press today.

"The evil effects of such things were greatly exaggerated a few years ago," said Dr. Mitchell. "It was said that one drop of nicotine would kill a dog and so it was implied that man might drop dead anytime from a single cigarette. Many text books were filled with extravagant statements of the ravages of alcohol and tobacco."

These statements were calculated to frighten the boy from their use. But the consumption of both alcohol and tobacco has been on the increase during the last decade. Boys should be taught that there is plenty of reasons why he should leave both alone even though a few experiences with them does not mean their ruination."

# SAYS MACARONI IS GOOD, CHEAP FOOD

H. E. Barnard Declares More of it  
on Table and Less Meat Will  
Save Money.

**LEAN MEAT OF THE WHEAT**

BY DR. H. E. BARNARD.  
Pure Food and Drug Commissioner  
For Indiana

Macaroni is usually served by the housewife as a side dish. Our cooks have not yet learned to use the hard wheat dishes which form the Italian staff of life. They do not realize that macaroni and spaghetti and the other dried flour pastes are the lean meat of the wheat. That is, they are rich in gluten and furnish the necessary protein in a cheap and very acceptable form.

The lean meat is not balanced food. It builds flesh and produces energy, but it does not burn like fats, starches and sugars, to form heat to warm the body. Macaroni is a flesh builder and nourishes and as well, contains the ratio of flesh forming, heat producing constituents and we have an admirably balanced food. The actual dry food content of a steak costs about \$1.25 a pound. Macaroni and spaghetti combined with cheese is as good and costs from ten to twenty cents a pound. More macaroni and less meats saves money.

**BONUS DECLARED.**

(By United Press.)

Bangor, Me., Jan. 13.—Despite the declaration of manufacturers that they have had to boost paper prices several hundred per cent to make a fair margin of profit on their product, the Eastern (Paper) Manufacturing Co. today presented their employees, receiving less than \$3,000 a year, a bonus equal to 10 per cent of their salaries.

The explanation given is that "on account of the increased cost of living and the present condition of the paper business, a bonus" was declared. The bonus applies to about 1,000 workers, 200 of them women.

In talking with J. H. Tarplee of Oneal Bros. we are informed that there will be another bumper sale on Simplicity Incubators this year.

Jim says that he never sold anything that met with such universal favor as the Simplicity and every user is a booster and with the addition of the moisture gauge this year it means much to the operator.

Jim also says that he will have lots of chicks to sell now soon. Its a nice sight to see a lot of fluffy chicks just coming out of the shell.

The First Installment of Taxes must be paid on or before the  
**FIRST MONDAY IN MAY, 1917**

or both installments will become delinquent and subject to a penalty.

The Second Installment must be paid on or before the  
**FIRST MONDAY IN NOVEMBER, 1917.**

No tax receipts will be held out until taxes are paid in full.

### Extracts From the Statutes of Indiana.

That each person or taxpayer charged with taxes on a duplicate in the hands of a County Treasurer may pay the full amount of such taxes on or before the first Monday in May, or may at his option, pay one-half thereof on or before the first Monday in May, and the remaining half on or before the first Monday in November, in the manner prescribed by law. All road taxes to be added to the first installment. When the first installment is not paid prior to the first Monday in May, the taxes for the whole year become delinquent. The Treasurer will not be responsible for the payment and collection of delinquent taxes resulting from any omission of the person paying to state definitely the name and location of the town or corporation it was assessed.

Persons owing Delinquent Taxes should pay them at once. The late law is of such character that there is no option left the Treasurer but to enforce the collection of delinquent taxes, however much he may regret to collect the same, by sale of property.

The owner of the property on the first day of March in any year, shall be liable for the payment of all taxes of that year. The purchaser of property on the first day of March shall be considered as owner on that day. Sec. 103.

All property, both personal and real, situated in any county, shall be liable for the

## THREE MEETINGS HEARING IS POSTPONED

Arlington Protest Will Not be Heard Until Next Friday

Special Gatherings for Men, Women and Sabbath School and Young Peoples Workers Sunday

FAITH, GROSSMAN'S TOPIC

Declares it is One of Commonest of Virtues—Dr. Dodds Talks on "Sensation in Heaven."

Three special meetings Sunday afternoon in connection with the three revivals which are in progress here hold attention for tomorrow. The union meeting for Sabbath school and young peoples workers will be held at the First Presbyterian church and will be addressed by Dr. F. W. Grossman and his daughter, Miss Ethel Lee; the men's meeting will be held at the United Presbyterian church and will be addressed by Dr. D. L. Dodds, and the women's meeting will be conducted by Mrs. Harry Ross at St. Paul's M. E. church. All will begin at 2:30.

Dr. Dodds will speak to the men on the subject, "The Devil's Detective." Dr. Grossman, who is educational superintendent for the state, will speak on "The Rights of the Boy and Girl." It is said this address will be very helpful to all parents and young people. Miss Grossman will speak in behalf of the elementary division of the Sunday school. She is state superintendent of this branch and is an expert as well on young people's work. After the two brief addresses, the audience will be divided into two conferences—one for young people and the other for Sabbath school workers and parents. This is pointed out as a rare opportunity to ask questions.

One of the features of the revival at the St. Paul's M. E. church will be this evening when the Sunshine chorus of fifty or more boys and girls voices will be on the platform and conduct the singing. There will be choruses, solos and duets. They have been trained by Mr. and Mrs. Harry Ross and are well prepared for the program. Mr. Ross will tie a stout boy with ropes and there will be a blackboard exercise. The children will give a Bible yell "Rushville for Christ." The public is cordially invited to attend.

"Faith is one of the commonest of virtues," declared Dr. Grossman. "It is being exercised by all. We even trust men who have deceived us. We trust our senses that have deceived us. If faith were absent commerce would cease. Society would be blasted; it would become a mob without a leader. Families would be disorganized. Satan attempts to make faith mysterious because it is looked upon as a theological term."

"The Bible claims that the Holy Spirit will clean up a person's life. We know thousands who testify by word and conduct that they now love what they formerly hated—that their lives are changed. It is illogical and sinful for us to deny their testimony."

The text of Dr. Dodds was Luke 15:10; the theme "A Sensation in Heaven"—"Likewise I say unto you there is joy in the presence of the angels of God over one sinner that repented." He said in part:

"Christ is teaching in Jerusalem. A vast concourse of people have been listening to His words. From the temple comes a company of the Scribes and Pharisees, inveterate enemies of the Master who were endeavoring to entrap Him in His words. The Pharisees were the high church men of Judaism, devotees of a rigid ecclesiastical life, fond of fast days, religious badges and long prayers, exceedingly exclusive in their society. With these stand the Scribes. They are the educational leaders of the land, the authorized interpreters of the sacred books, men of culture and influence in Jerusalem. In this presence of

the

## SOME OBJECTION JUDGMENTS ARE TO HIGHWAY BILL TAKEN BY MANY

Only Criticism Heard Here is That Too Much Power Would be Lodged in the Engineer

INTRODUCED BY LEM DOBYNS

Provisions of Measure Which Passed Would Revolutionize Road Building Methods

As chairman of the committee on roads, Senator Lem Dobyns of Greensburg, who represents Rush, Hancock and Dearborn counties, introduced the administration highway bill in the senate yesterday afternoon, as mentioned briefly yesterday evening. The same measure was introduced in the house by Representative Duffey of Indianapolis.

Some little objection has been voiced here to the provisions of the bill, the main one being that too much power would be placed in the hands of the engineer who would be employed by the highway commission. The measure provides that commissioners serve without salary. It is declared by many who have the interests of good roads at heart that commissioners serving without pay would not give the time required to the cause of Indiana highways and would leave most of the administrative work to the engineer, who would have it within his power if he were so disposed, to do a lot of harm.

The members of the commission would be appointed by the governor to serve for a term of four years. Not more than two members would be members of the same political party. Each official would be allowed expenses. One member of the commission would be named as state highway engineer who would receive a salary fixed by the commission.

The bond was expected to be filed late today, although George W. Young, attorney for Shanahan, declared that he doubted if the appeal would be perfected. Shanahan, who was declared elected by the commissioners, and also on the face of the returns, has filed his bond for the office and will continue to serve as supervisor. If the appeal is perfected the case will likely come up for trial the next term of court.

The commission would have charge of the distribution of funds for highway purposes; supervision of construction of roads; and the building especially of main highways to be known as "Main Market Highways."

A "highway fund" would be created by a tax of three cents on every \$100; proceeds of inheritance tax; proceeds from tax on petroleum and oils and fees from the licenses issued for autos. Counties would pay 50 per cent of the cost. The counties would be permitted to enter an agreement with townships through which the roads pass for the township to bear part of the expenses. This fund, after deduction of expenses of the commission, would be apportioned among counties in proportion to the number of miles of main market highways in the county. No county would receive more from the fund than had been expended for roads in that county during the year.

### WANTS SIGN POSTS.

Indianapolis, Jan. 13.—Sign posts at cross roads and road forks giving directions to the nearest towns, will be erected throughout Indiana, if a bill to be proposed by Senator Charles Lanz of Bedford before the present legislature, is enacted. The posts, according to the bill, would be erected from money procured in fees from auto licenses. The work would be done by county supervisors.

### INSTITUTE AT ORANGE

The annual farmer's institute will be held at Orange on Wednesday of next week in the auditorium of the high school when a practical and interesting program will be given. Walter Rogers of Purdue university will address the men at the meetings and Mrs. W. M. Fordice will speak to the women. Dinner will be served at noon. School will be dismissed for the institute.

Miss Dorothy Thomas of Indianapolis is spending the week-end with her parents in this city.

Miss Edith Wilk goes to Anderson this evening for a visit of several days with Miss Mary Armfield.

Mr. and Mrs. Will McGuire of Indianapolis are spending the week-end with relatives in this city.

## CAN'T TURN THE TRICK

Kaiser Says Allies Will be Unable to Enslave Europe.

(By United Press.)

Amsterdam, Jan. 13.—"That the allies propose to crush Germany and enslave Europe is now made clear, but as they have been unable in 30 months of bloody war to conquer the central powers, so will their future efforts fail."

Kaiser Wilhelm thus summed up his belief of the entente powers position in a proclamation to the German people issued today. In it he declared his people were "ready for all sacrifices" and asserted his confidence in "full victory over the enemy."

## TWO MORE ARE ARRAIGNED TODAY

John Ricker Pleads Guilty to Giving Liquor to a Minor and is Fined \$20 And Costs

### DWEN SWEET IS INDICTED

Two of the last batch of fourteen indictments returned yesterday afternoon were accounted for when John Ricker was arrested for giving liquor to a minor and Owen Sweet for issuing fraudulent checks. Ricker was fined \$20 and costs when he pleaded guilty before Judge Sparks and his fine was stayed. Sweet gave bond and was released.

James C. Draper of Carthage was arraigned before Judge Sparks this morning on an assault charge and was released under \$50 bond. Draper was indicted by the grand jury, his indictment being in the list of twenty indictments, the second batch returned by the grand jury. This accounts for seventeen of the twenty indictments. Draper is alleged to have assaulted Frank Miller. It is claimed that he threw a meat cleaver at Miller when a dispute arose over a bill Draper alleged Miller owed him.

The court found for the Greer Wilkinson Lumber company by agreement against The Milroy Light Company, returning a judgment for \$59.39 and \$10 attorney fees. The suit was to foreclose a lien and the judgment is to stand as a lien against the property of the light company.

The suit to contest a will brought by Louisa Gutapfel against The Farmers Trust Company and others will be taken out of the county if Judge Sparks acts favorably on a motion for a change of venue. The motion for a change of venue from the county was filed by the plaintiff.

The suit of Charles W. Flaitz against Hattie O. Havens on an account demanding \$85 was dismissed at the costs of the plaintiff. The suit was sent to this county on a change of venue from Shelby county.

The court appointed Flossie and Zula Jackson guardians for Ida Jackson, a person of unsound mind. Their bond was fixed at \$4,500.

### COSTS ONLY TWO LIVES

Property Damage From Dupont Explosion, However, is 2 Million

New York, Jan. 13.—Two million dollars property damage but at a cost of only two lives seemed likely at noon today to be the record of the Haskell, N. J., explosions of the Dupont Powder company's plant. Only two of the thousands in the danger zone were so seriously injured as to require hospital treatment, the Dupont company declared today.

The explosion shook four states and lit the midnight sky with a glare visible for hundreds of miles. Officials declare that there was an organized plot behind the explosions.

### SINKS 40 TURK VESSELS

London, Jan. 13.—The Russian naval squadron raided the Anatolian coast on January 6 and sank forty Turkish sailing vessels bound for Constantinople with heavy cargoes, according to an announcement attributed to the Petrograd naval staff by the Central News today. Sixty-three prisoners were reported captured.

Prof. William Jenkins returned to Bloomington this morning after a short visit in this city.

## I.U. ALUMNI HERE ARE ORGANIZED

Officers and Committees are Named at Foundation Day Celebration on Friday Night

### J. H. SCHOLL IS PRESIDENT

Dr. William Jenkins of the Faculty Describes Work Being Carried on by University

Following a program at the assembly room last night to commemorate the founding of Indiana University, a permanent organization of Indiana alumni was formed with J. H. Scholl as president. Other officers are as follows: Perry Oneal, vice-president and Miss Marjory Smith, secretary and treasurer.

The committees of the organization are as follows: community cooperation—S. F. Stewart, Mrs. A. L. Gary and J. V. Masters; committee on publicity—Perry Oneal and H. Louis Mauzy; program committee—Miss Nelle M. Baldwin, Mrs. R. A. Mayse and Miss Mary Williams.

This organization expects to hold a Foundation Day meeting every year and all members will boost for the state school. A large number of enthusiastic alumni, students and friends attended the meeting. Dr. William Jenkins of the University was the speaker of the evening.

He told of the work being carried on by the university. Similar meetings were held throughout the state. Dr. Jenkins told of the increased attendance at the university and of the plans for the future. Dr. Jenkins declared that the growth of the institution in summer school, medicine, and extension department work has been remarkable considering the funds at hand for maintenance compared with the amount spent by Illinois, Wisconsin and other universities.

Dr. Jenkins explained the work of the extension department of the university. He stated by means of this department the people of the state are being aided through correspondence study, lectures, classes for study, package libraries, lantern slides, moving picture films, community institutes, etc. The Rushville schools have been receiving some of these moving picture films this year.

Under the new organization it is likely that one of the intercollegiate debates held by state colleges will be held here. It is planned to have Indiana and Earlham debate here and plans to this end will be worked out.

## GIVEN POWER TO REQUIRE ANSWER

Rules Committee of House Decides on Complete Reopening of Investigation of "Leak."

### LAWSON WILL BE RECALLED

(By United Press.) Washington, Jan. 13.—Complete reopening of the house note "leak" probe was decided upon today at a meeting of the rules committee.

The committee announced it would subpoena in addition to Thomas W. Lawson, Donald McDonald who is alleged to have given information to Lawson and perhaps half a dozen or a dozen other witnesses.

Power to require Thomas W. Lawson and other witnesses to answer all questions was given to the rules committee by the house immediately when decision was reached by the committee to reopen the "leak" investigation and make it broader than ever.

Ben Sniffle of Anderson, Ill., made a visit here today.

**Personal Points**

—Roll Clingman of Homer spent the day here on business.

—Miss Ada McConner of Glenwood was a visitor here today.

—Miss Margaret King of Indianapolis spent the day in this city.

—Miss Mary Metsker of Arlington attended the institute here today.

—Mr. and Mrs. Birney Piper of Milroy were visitors here today.

—C. G. Clark and daughter, Miss Vira Clark, leave next week for Florida where they will spend the winter visiting in different resorts.

—Mrs. Jack Faust spent the day in Indianapolis with Mrs. Nelle Guy. Mr. Faust of St. Marys, Ohio, is spending the week-end at his home in this city with his family.

—Miss June Lines of Butler College at Irvington is spending the week-end with her parents, Mr. and Mrs. Leroy Lines of Milroy. She was met in this city today by Mrs. Lines.

—Mrs. Arthur W. Winfield has returned to her home in Youngstown, Ohio, after a several weeks' visit with her parents, Mr. and Mrs. A. B. Norris of near Carthage. She was accompanied home by her sister, Miss Ramona Norris, who will remain for two weeks. On the way to Youngstown, they stopped off for a brief visit with Mr. and Mrs. Will Norris.

—Mrs. Fred Miller and children, Virgil and Elizabeth Ann, of Connersville arrive tomorrow afternoon for a visit of several days with Mr. and Mrs. J. H. Scholl. Mrs. Paul Peter Willis and son, John Paul, who have been visiting Mrs. Anna Marlatt, and Miss Mary Marlatt leave Tuesday for Winchester where they will make a short visit with their sister, Mrs. Ivan Brenner after which Mrs. Willis and son will return to their home.

—Mrs. Otis Crawford and daughter, Hazel, went to St. Paul this morning for a visit of several days with relatives.

—Mr. and Mrs. Verne Norris and Mr. and Mrs. Frank Capp were expected to return today from a visit of several weeks in Florida.

—L. L. Feree has returned home from Sturgis, Ky., where he has been the guest of his son, Charlie, and daughter, Mrs. Richeson.

Miss Margaret Kirk of West Third street is suffering with a severe case of tonsilitis.

—Mrs. Fred Miller and children, Virgil and Elizabeth Ann, of Connersville arrive tomorrow afternoon for a visit of several days with Mr. and Mrs. J. H. Scholl. Mrs. Paul Peter Willis and son, John Paul, who have been visiting Mrs. Anna Marlatt, and Miss Mary Marlatt leave Tuesday for Winchester where they will make a short visit with their sister, Mrs. Ivan Brenner after which Mrs. Willis and son will return to their home.

Gov. John K. Tener is the reason and his explanations always put a quietus on talk of that sort. Tener figured it out last summer when the Boston Braves were having such a hard time with at-home dates.

Early in the spring a year ago the Braves had good weather at home and so did other National league clubs in the east. But later it began to rain, was cold, and everything seemed to conspire against baseball. The result was that although the Braves were in the race right along they had one of the poorest years in their history.

Governor Tener observed that good weather had favored this club

early and he began to go into records. He found that just as often as not good weather was on tap for opening dates, and in fact for the first month of the season. Then would come bad spells. Some times they struck the eastern half of the circuit and some times they didn't. He found, he declared, that more games had been lost in late season than in the early spring.

With this to work on, it was easy to discover that starting the season later or cutting it short would actually work a hardship on the clubs instead of giving them a better whack at the good weather stretches.

John Heydler, secretary of the league added a little information when he said that for several years November weather has been better for baseball than many summer dates.

It isn't always the case that spring weather is most favorable.

Some years show bad days early and perfect ones in June, but recent years have been just the reverse.

Statistics of this kind effectively stopped talk of rearranging schedules.

John Heydler, secretary of the league added a little information when he said that for several years November weather has been better for baseball than many summer dates.

#### City Clerk

We are authorized to announce the name of Albert J. Sweet of Rushville, as a candidate for City Clerk on the Republican ticket, subject to the decision of the primary election, March 6th, 1917.

We are authorized to announce the name of Earl Osborne as a candidate for City Clerk on the Republican ticket, subject to the primary election, March 6th, 1917.

We are authorized to announce the name of Walter F. Easley as a candidate for city clerk on the Republican ticket, subject to the decision of the primary election of March 6, 1917.

#### Minimum School Term.

Forty-four States have established by law a minimum term of from 60 to 180 days term of school for each organized district, according to a bulletin just issued by the Department of the Interior through its Bureau of Education. J. C. Muerman, who compiled the bulletin, points out that four States, Louisiana, Alabama, Rhode Island, and Georgia, have no minimum requirement laws, but that one of these, Rhode Island, has for over 10 years maintained the longest average term in the United States. While the minimum number of days required is almost invariably much less than the actual average number of days in the school term for the State, a majority of the States still report many schools unable to meet even the low minimum requirements. Within the past three years, 12 States—Arizona, Colorado, Idaho, Kansas, Maine, Nebraska, Nevada, New York, North Carolina, North Dakota, Vermont, and Wyoming—have added from 10 to 60 days to the legal requirement of a minimum school term.

Some of the factors that have operated in favor of a longer school term, aside from the general awakening of public sentiment, are the phenomenal growth of the public high schools, the development of State financial aid for weak districts, equalization funds, and penalties for not maintaining a minimum term required by law.

The growth of the public high schools has tended to lengthen the term in the elementary schools by setting up standards of admission by certificate or examination which can ordinarily be met by grade schools with a term of at least eight months.

"Lack of provision for adequate funds is perhaps the greatest hindrance to a longer school term," declares Mr. Muerman. "A majority of the States have fully realized the necessity for more State financial assistance and have enacted laws giving State aid to weak districts to enable them to maintain a minimum school term. A wise provision in most of these laws makes the levy of a specified minimum rate of local taxation necessary and provides for a certain specified standard of school before aid becomes available. These laws are, as a rule, intended to help only those who first help themselves. The necessity of greater local co-operation and aid is urged in the 1912 report of the State superintendent of public instruction for Georgia. This report calls attention to a tendency to lean too heavily upon State aid, and cites the laws of another State which require a county levy of not less than 3 and not more than 7 mills before State aid can be secured."

In answer to an inquiry from the Commissioner of Education, over one-half of all the State superintendents have expressed a willingness to co-operate in securing a uniform 160 days' term for all schools, including rural schools. This would represent considerable improvement over present averages in the State.

The Indiana Times brags of its dry record and W. D. Boyce, owner and publisher, sends a check for \$100 to the Indiana Dry Federation, yet this same newspaper supported Tom Taggart for United States Senator by every method to be conceived. Consistency is sometimes called a jewel.

Europe has again kicked the dove of peace into the official dump heap. But the baseball season will be along schedule time and the office boy's grandmother will continue to die every Saturday afternoon. Cheer up and smoke up!

Fashionable club women are agitating the subject of birth control. It is a new sensation and will die a natural death when the newspapers cease exploiting it. Society loses interest as soon as it is shoved off the front page.

The United States government has decided to prosecute the paper trust. That sounds like action anyway.

Editor of the Daily Republican— Referring to the publication in the Daily Republican a few days ago in reference to the protest filed against the William J. Brown road southwest of Milroy the publication states that the road is tied up and prevented from being accepted, from a personal and political standpoint and in order that the people may know the truth and have cause for just consideration, we the undersigned make statement as follows:

That from a political standpoint we are equally divided and that there is no place where politics could possibly have crept in. But our efforts in filing a restraining order was inspired from a careful and honest investigation of the road now in question. We found the road short of material and quality according to contract, which the commissioners have sustained.

The men signing the restraining order against receiving this road are not alone, but it is a public interest with all taxpayers especially of this township.

We have a right to defend ourselves against any injustice and referring back to the assertion in publication that it was personal and political influence that had dominated our cause, there is not a word of truth in it. The statement was made to deceive and influence and we assert our rights by saying that there has never been any cause for any personal feeling nor is there now, but purely a justifiable business matter.

JOSEPH GREEN,  
J. C. DARRELL  
A. C. SERIGHT,  
RICHARD FARLOW

Franklin—Samuel Sandefur, wealthy farmer, during his lifetime divided \$79,879.52 among his seven children. When he died he left an estate valued at \$104,462.30. This is willed to the children.

Markleville—A Farmer's Institute was held here today.

Kokomo—The Kokomo Bowling Association opened its first annual tournament.

Vincennes—Indiana University

alumni of Knox county and friends of the university will hold their annual meeting here tonight.

Seymour—The Indiana Alumini

Society of Jackson county will hold

its annual meeting here tonight.

Friends of the school are invited to attend.

Marion—Phone "cussing" will be prohibited in the future according to an announcement made by the Marion Telephone company.

Seymour—The Rider Packing company will open a plant here soon. It will be the largest of three plants operated by the company.

Vincennes—As a result of a judgment against the Fair Association here it is probable that the fair grounds will be put under the hammer by the sheriff and sold to the highest bidder soon.

Muncie—Members of a Muncie society have established a day nursery here to care for children under 6 years of age and babies, whose mothers are working away from home. The rate charged is ten cents a day.

Frankfort—Expenses of Frankfort as a municipality during 1916 were \$183,326.52. The receipts of the city were \$183,691.70 according to the report of the city treasurer.

"There may be nothing in a name," mused Galway, "but he was the first, and that makes one ponder."

HE HAD LOST JOB.

San Francisco, Cal., Jan. 13.—Policeman Robert Horel has a soft job. All he had to do was make a beat 2000 miles long; handle the cases on 13 islands; climb mountains 38,000 feet high after prisoners and collect the tolls from 4500 people.

Policeman Horel comes from the Hargesa group of islands in the mid-Pacific. He arrived on the liner Moana.

"The job was too soft. I'm going to France and fight," he said.

### RUSHVILLE LOSES TO RICHMOND FIVE

big Slick Floor is Handicap to High School, Which is Defeated by Score 43 to 18

### NAME IS A CURTAIN RAISER

The big Richmond floor, which was unusually slick from constant use as a skating rink, coupled with the fast team work of the Richmond team, combined in the way of a handicap and Rushville lost the game there last night by a score of 43 to 18.

Despite the one-sided score the game was fast and some pretty plays enlivened the game. The first half ended 24 to 8 in favor of Richmond. At no time was Rushville dangerous. The team slipped and slid over the big floor and inability of the members to keep their feet led greatly in the Richmond victory. The game was played as a curtain raiser to the Earlham-State normal contest.

Oneal, the Richmond forward, was an individual star of the contest, taking 23 of Richmond's points. Jessup the other forward followed in closely registering a total of 8 goals. The lineups and summary follow:

Richmond (43)      Rushville (18)  
Oneal                  Thorpe

Forward                Thorpe  
Jessup                 Oakley, Keating

Forward                Martin  
Barker                 Center

Bride                   N. Reed  
Elton                   Guard

Guard                   Newhouse

Field goals—Oneal, 9; Jessup, 8; Barker, 2; Thorpe, 3; Oakley, 2; Martin, 2.

Foul goals—Oneal, 5; Thorpe, 2; Martin, 2.

Referee—Ed Cook of Indiana.

### POSTOFFICE DEFEATS K. OF P. BOWLERS.

The postoffice bowling team defeated the Knights of Pythias in last night three straight games, the total pins the Postoffice team being 142 pins. The first game close, the K. of P. team losing 7 pins. Sparks of the Postoffice team the maples for 222 in the second game, the team score being 811 for game. The scores follow:

Knights of Pythias

Receipts and Suggestions  
That Are Helpful to  
The Housekeepers

## Many Economical and Novel Ways To Prepare Meat to Meet H. C. L.

Meat along with everything else is showing the effects of the high cost of living. Since it is becoming a luxury, the housewife is all the more anxious to prepare it in economical and novel ways. The following tested recipes are a few suggestions.

□ □

### Mock Turkey.

Flank or skirt steak, 2 cupsful moistened bread, 1 onion, 2 teaspoonsful thyme, salt and pepper. Wash the steak and roll in a pocket. Sew up one end and make a dressing of stale bread soaked in water, thyme, chopped onion, salt and pepper. Fill the pocket with dressing and sew up the other end. Sprinkle with salt and pepper and roast, basting frequently with the essence.

□ □

### Salmon Croquettes.

1 can salmon, 1 tablespoon butter, 1 cupful bread crumbs, 2 raw eggs, yolks of two hard-boiled eggs.

Mince the fish; work in the butter slightly warmed, the powdered yolks, raw eggs, and finally the crumbs. Form into any shape desired, roll in dish covered thickly with flour and fry in hot fat. Place on a dish in a figure resembling a star, with rounds of boiled carrot in the vacant spaces and around the edges. Garnish with parsley.

□ □

### Pork With Spaghetti.

2 pounds cold pork, Tomato sauce, Pork drippings, 1 package spaghetti, salt and pepper.

Over the spaghetti, which has been boiled and cut in pieces of about one inch, pour the tomato sauce and the pork drippings saved from the roast. Into this drop the pork cut into small pieces and cook for about twenty minutes, stirring frequently. Season to taste.

□ □

### Sausage Biscuits

When making buttermilk or baking powder biscuits, cut as usual, then roll each biscuit larger. Take a small cake of sausage and place in the center of dough and brink all edges up till sausage is entirely covered. Put in bread pan and bake same as ordinary biscuits. By the time the dough is browned and done the sausage is also done. These are fine, as all the flavor of the meat is in the bread.

□ □

### Cold Meat Patties.

Chop very fine any meat left over from dinner, add a pint of cold chopped potatoes, 2 onions chopped fine, 2 well-beaten eggs and salt and

pepper to taste. Make into cakes and brown on both sides.

□ □

### Baked Slice of Ham With Milk Gravy.

Material—1 slice of ham about 13 pounds, 1 cup milk, 1 tablespoon flour, a little pepper, 1 teaspoon sugar.

Utensils—Bakepan, small saucepan, measuring cup, tablespoon, teaspoon, small knife.

Directions—Put the ham in pan; cover with cold water; bring to boil and simmer slowly 25 minutes; drain, dust with sugar and put in hot oven to brown. When brown put on hot platter; then put the flour in pan; stir until smooth; then add the cold milk, slowly stirring until thick and smooth. Boil 3 minutes; pour over ham; garnish with parsley.

□ □

### Steak-Potato-Onion Roast.

Take a round steak, about two and one-half or three pounds; line roaster with it, salt and pepper, slice the meat, then slice over potatoes the same quantity of onions; salt and pepper; put good sized piece of butter between and on top; add a little water, cover and roast one to one and one-half hours.

□ □

### Mutton and Tomato Pie.

Cover the bottom of a buttered baking dish with bread crumbs, over this a layer of sliced tomatoes, then slices of cold roast mutton. Season with a half-teaspoon of salt and a dash of pepper; also dot with one tablespoon of butter. Over this spread another layer of crumbs, then tomatoes, then meat, then another layer of tomatoes for the top. Season as before with salt, pepper and butter. Bake in a moderate oven three quarters of an hour, and serve at once.

□ □

### Chicken in Aspic.

Cold chicken cut in small pieces, 4 cupsful clear chicken broth, 1 spring gelatine, 1 bay leaf, 1 slice genetine, broth, 1 bay leaf, 1 slice lemon, Few dried celery leaves, salt.

The chicken broth should stand over night so that all fat can be removed. In the morning add seasonings and boil for fifteen minutes. Strain and add gelatine, which has been soaked in three tablespoonsfuls of cold water, to three cups of the broth. When the jelly has cooled pour a little into a mold and when nearly firm lay in the slices of chicken. Let stand until firm and then pour in the rest of the jelly very gently. The remainder of the jelly should be kept where it will stay liquid, but not warm, until ready to use. Set in ice box and when firm turn out on a platter and garnish with parsley.

□ □

### Cold Meat Patties.

Chop very fine any meat left over from dinner, add a pint of cold chopped potatoes, 2 onions chopped fine, 2 well-beaten eggs and salt and

pepper to taste. Make into cakes and brown on both sides.

□ □

# SOCIETY

## Social Calendar

Monday

Royal Neighbors called meeting, in the evening.

Monday Circle, with Mrs. Roy Waggener at 1032 North Morgan street, in the afternoon.

Coterie Club, with Mrs. C. M. George at Main and Twelfth streets, in the afternoon.

Tri Kappa sorority, with Mrs. Jack Knecht at 221 North Harrison street, in the evening.

Dance in Phi Delta Kappa hall. Cabaret program by Troubadours of Chicago from 8:15 to 9:30. Dance following.

The Thursday Afternoon Bridge Club will be entertained on Tuesday next week by Miss Chestina Bliss at her home in East Sixth

In welcoming the new pastor, the Rev. Mr. Francis of Irvington, the members of the Christian church of Orange gave a reception in the church last evening when about 100 guests were present to meet the guest of honor. Only a short program was given consisting of a song, a talk by the new pastor, and a solo by Miss Nellie Stevens, who was accompanied by Miss Mary McKee. Following this there was a social good time when a one course supper was served.

□ □

None of the recent meetings of the Thimble Club has been more pleasant than the one held yesterday with Mrs. Harriet Plough at her home in North Perkins street. A congenial social period was enjoyed by the guests during the afternoon hours. Later, in the dining room, an elegant three-course dinner was served. The prettily arranged table was centered with a bouquet of roses. Out-of-town guests sharing in this delightful affair were Mrs. Harriet Bliss and Mrs. May Bliss of Chicago.

### Your Point of View.

It is all in the point of view one takes in life whether the results from observation will be harmful or helpful. Two people can look at the same thing, and their deductions will be altogether different.

Take, for instance, a beautiful landscape. An artist looking at the stretch of beauty before him would immediately think how he might reproduce it for the world on canvas,

while a writer gazing upon the same scene would think rather of the descriptive words which might convey the sheer beauty of the scene to others.

The greatest motion picture producers of the day "shoot" at a scene from several different angles. That is, the players will act a scene two or three times after the rehearsals are over, and each time they go through their actions the cameraman will stand at a different point to photograph the scene. Sometimes identically similar actions are hardly recognizable from the different viewpoints.

In every-day life the old gentleman who feels every gust of wind as though it were a sharp knife running

down his spine can, upon awakening on a winter's day to find the world nestled under a downy, white blanket, think only of the discomforts he must suffer. The little boy, however, is at once delighted at the prospect of the snow-forts he can build and of the sleigh rides he may enjoy.

Ah, yes, it's all in the way we look at things. Our viewpoint either makes or mars existence. But the most vital part of it all is that it rests with us what viewpoint we take. Nobody is born on the wrong side of the line. Very often we are inclined to walk there until it is so hard to get back to the right path again that we give up in despair and are ready to find fault with everything and everybody about us. We are like the cross little girl who thinks everybody about her is disagreeable and never for one tiny moment thinks that the fault may lie within herself.

Let us in the future choose the right side of life. Refuse emphatically to look at the dark, cloudy side for the smallest second. I'm sure the world will seem greatly improved for the effort.

The Royal Neighbors will have a called meeting on Monday evening. At this time all regular business will be brought up. The drill teams as well as every member are urged to be present.

The Mission Circle of the Fairview Christian church will meet tomorrow afternoon in the church. An interesting program has been arranged.

The Ladies Aid society of the Homer Baptist church gave a pitch-in dinner at the home of Mr. and Mrs. Frank Crim on Thursday. The families of the members were guests, making about 79 in all. A bountiful dinner was served. The next meeting will be held the second Thursday in February.

The members of the D. T. Club Club were entertained by their husbands last evening at the home of Mr. and Mrs. Charles Frank. The hosts prepared and served the oyster supper. Following, the guests played progressive Rook during the evening.

The Ladies Aid society of the St. Paul's M. E. church on Tuesday of next week on account of the revival services which are being held at the church.

There will be no regular meeting of the Ladies Aid society of the St. Paul's M. E. church on Tuesday of next week on account of the revival services which are being held at the church.

On sweeping days, newspapers moistened and torn into small bits and scattered over the carpets or rug will prevent dust from blowing about.

When sealing and cleaning fish, place it on heavy brown paper. This holds all refuse. Chickens can be cleaned in like manner. Select a clean piece of white wrapping paper when flouring chicken, meat or fish for frying.

When making pies, cookies and biscuits, use smooth white paper to roll the dough out on, instead of a kneading board. This is more satisfactory and you will have no sticky mess to clean, which saves time and labor.

Line the cake pans with white paper well greased. This prevents the cake from burning or getting too brown, and also from sticking to the pan.

Place the baby's high chair on a newspaper at meal time, to catch the crumbs and food baby drops, and the rug will not be soiled and the paper and waste can be rolled together in a moment.

Mr. and Mrs. Sam Young have received word from their son, Dr. E. E. Young of Kokomo who has been ill for some time and is in a hospital there that he is improving very rapidly.

## New Suits, Frocks and Wraps Are a Solid Mass of Stitching

"Don't Think for a Minute," Writes Margaret Mason, "That You Can Escape Having a Stitch in the Side For if You are Very Chic You Will Have Them in Both Sides and in Front and Back as Well"—French Knot Stitch is Knotty But Nice and the Darning Stitch is Always Well Worn.

BY MARGARET MASON.  
(Written for United Press.)

Grandma said she dropped a stitch; I didn't see it fall—I've hunted for it everywhere And can't find it at all.

Grandma says she's picked it up; I didn't see her do it. I guess old folks are pretty spry If we only just knew it.

New York, Jan. 13.—For goodness' sake, if you drop a stitch be sure to pick it up again, for you will need them all. The newest and smartest suits, frocks and wraps are a mass of stitching up one side and down the other.

Don't for a minute think you can escape having a stitch in the side if you are very chic you will have them in both sides and in front and back as well. The old adage, a stitch in time saves nine, must go in the discard, for who wants to save nine now when fashion decrees that to be real smart you must be simply prodigal with stitches.

"Stitch, stitch, stitch" began "The Song of the Shirt," but now it is the beginning and the end also of every swagger article of wearing apparel.

Of course it is the French who have stitched us up in this mad fashion and they have decreed that the stitching must be done either in bright and varicolored contrasting hues or in a tone darker than the material on which the stitches are taken.

Wide bands of stitching run around the bottoms of skirts, chequer board designs of stitching runs criss cross on a blouse, stitching running around sleeves and up and down 'em and stitching running up and down a skirt in stripes or running around it is the thing. No matter which way you turn you run into these omnipresent stitches somewhere in the running. Strange to

say however, every stitch is not a running stitch by any means. No indeed for there is the back stitch that has come very much to the front. Feather stitching is being let down easy but on light and fluffy effects is sometimes used; and as for cat stitching you will find it very nice on Pussywillow taffetas.

Briar stitching always is up to the scratch and in spite of its name you'll never look seedy in seed stitch. There isn't a shadow of doubt but that the shadow stitch is not to be put in the shade by any other stitch and the chain stitch is sure to link you closely to the mode.

The French knot stitch is knotty but nice and the darning stitch is always well worn. The loop stitch is used in the best circles and there are no flies on the cobweb stitch. You come across the cross stitch across lots of blouses and the cable stitch is naturally the very last work in stitches.

The outline stitch is right in line with all the best stitches and lots of the girls have fastened their fancy on the buttonhole stitch. Nor does fashion lay down on the job when it comes to the couching stitch, so you see the long and short stitch or it is that any stitch at all is good.

Plain stitching of course is really the most swagger on the tailored suits and wraps and straight bands, cross bars and zigzags of the stitching and sweeping curves are the favored designs. No other trimming is used with the stitching save a few buttons and a touch of fur. Since it would seem stress is to be laid on the stitching as a trimming for the rest of the winter and spring the seamstress is a very busy person indeed these days. Both she and the surgeon are adepts at taking stitches and they both stitch you and trim you at the very same time.

## BEGIN HOT WATER DRINKING IF YOU DON'T FEEL RIGHT

Says glass of hot water with phosphate before breakfast washes out poisons.

If you wake up with a bad taste, bad breath and tongue is coated; if your head is dull or aching; if what you eat sours and forms gas and acid in stomach, or you are bilious, constipated, nervous, yellow and can't get feeling just right, begin inside bathing. Drink before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it. This will flush the poisons and toxins from stomach, liver, kidneys and bowels and cleanse, sweeten and purify the entire alimentary tract. Do your inside bathing immediately upon arising in the morning to wash out of the system all the previous day's poisonous waste, gases and sour bile before putting more food into the stomach.

To feel like young folks feel: like you felt before your blood, nerves and muscles became loaded with body impurities, get from your pharmacist a quarter pound of limestone phosphate which is inexpensive and almost tasteless, except for a sourish twinge which is not unpleasant.

Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels. Men and women who are usually constipated, bilious, headache or have any stomach disorder should begin this inside bathing before breakfast. They are assured they will become real cranks on the subject shortly.

## VEGETABLE CALOMEL

Vegetable calomel, extract of the root of the old-fashioned may-apple plant, does not salivate. As a liver stimulator, it's great. It's a perfect substitute for ordinary calomel (mercury); in fact, it's better, because its action is gentle instead of severe and irritating—and it leaves no mean, disagreeable after-effects. Physicians recognize this and prescribe may-apple root (podophyllin, they call it) daily.

Combined with other standard, all-vegetable remedies, may-apple root may now be had at most any druggist's in convenient sugar-coated tablet form by asking for Sentinel Laraserts. If you forget the name, ask for the box that has the picture of the soldier on it.

These tablets are small, easy to take and are really wonderful little performers.

They quickly clean out the poisons that are causing you headache, constipation, sour stomach, biliousness, dizzy spells, bad breath and coated tongue.

They are mild. They never gripe. And they are a bowel tonic as well as a cleanser and liver regulator. A 10c box should last one several weeks. A Physician's trial package (4 doses) will be mailed you free if you write mentioning this advertisement. The Sentinel Remedies Co., 802 Madison Ave., Covington, Ky.

## HEALTH BILL TO BE INTRODUCED

Dr. W. F. King Would Have Law Providing for Compulsory Medical Examination

### OF ALL SCHOOL CHILDREN

(By United Press.)

Indianapolis, Jan. 13.—Dr. W. F. King, of the state board of health has prepared a bill to be presented to the legislature providing for compulsory health supervision of pupils in all Indiana schools. The law would provide for dental inspection and treatment of the children.

"Health inspections and examinations statistics show that 75 percent of the school children of the state are suffering from physical handicaps which prevent their highest school efficiency and which are a constant source of unnecessary sickness," said Dr. King today.

"From 75 to 95 percent of the children have decayed teeth and diseased mouths; 25 to 40 percent, defective vision; 15 to 25 percent diseased tonsils; 10 to 15 percent, adenoids; 5 to 10 percent, have defective hearing. In addition to these there are thousands of cases of heart weakness, anemia, tuberculosis and pre-tubercular conditions. Practically nothing is being done to discover these conditions or to provide for their treatment. More than 3,000,000 days were lost from school in 1915-16 because of preventable sickness."

The proposed bill would make compulsory health inspection and supervision after 1918. It provides for service of school, nurses and dentists as well as physicians. One serious fault with the present law is that no provision is made for the employment of nurses and dentists.

Freemans.

The Rev. and Mrs. U. G. Abbott of the Richland church attended the Hopewell quarterly meeting.

Mrs. Mattie Kennedy and sister, Mrs. Maggie Lanning, attended church at Hopewell on Thursday.

Mrs. Frank Wilson is suffering with an attack of the measles.

The Rev. Charles Rector, who has been conducting a revival meeting at Hopewell, has returned from his home in Gaston where he made a short stay on business. The pastor, the Elder Lyfe, preached during his absence.

The two children of Mr. and Mrs. Riley Wilson have the measles.

Miss Ida Foley visited Mr. and Mrs. Will Elderman of Rushville Saturday night and Sunday.

Mr. and Mrs. E. A. Billings were guests of Mr. and Mrs. George Billings and family Sunday.

Mr. and Mrs. Elmo Hines and son Cedric visited Mrs. George Hines and daughters Wednesday.

Mrs. Martha Grindle of Rushville visited Mr. and Mrs. H. S. Bell Wednesday.

Elmer Ryon was at Milroy Saturday.

# Is the War Approaching a Climax?

When the ten Allies slammed, if they did not lock, the door of diplomacy, in the face of the Central Powers' request for a peace conference, what did the act portend for Europe, for Canada, and for the United States?

In THE LITERARY DIGEST, dated January 13th, there is a most comprehensive review of the peace negotiations from all angles.

The first impression of the German press, as gathered from Berlin dispatches, is that the Entente's reply could only be answered by the sword. "Let Hindenburg answer," exclaims the Berlin *Lokal Anzeiger*. Other German and Austrian editors are confident of victory and equally energetic in citing their opinions.

Press comment in the Entente nations endorses the rejection of Germany's proposals, and expresses confidence in ultimate victory for the Entente Allies.

The London *Morning Post* quotes its Budapest correspondent's statement that peace proposals of the Central Powers are prompted by "the knowledge that relief must come within six months from the present time at the outside, if internal troubles of the most serious character are to be avoided," since "in Austria-Hungary the available stocks of food will not last even for six months."

Read THE LITERARY DIGEST this week by all means, if you would get a true perspective of the peace negotiations up to date.

### A NECESSITY

Mrs. Collier Says Could Not Keep House Without Black-Draught.

Hardin, Mo.—Mrs. J. W. Collier, of this town, who knows from experience of the merit of Black-Draught Liver Medicine, has following to say for publication: "I want to let everybody know that I have used Thedford's Black-Draught for many years, and it is just what is claimed for it. I am never without Black-Draught, and really I couldn't keep house without it."

Whenever I feel bad, I take a small dose, and feel better right away.

I advise everybody who suffers from liver or stomach trouble to use Black-Draught Liver Medicine."

For three-quarters of a century (75 years), Thedford's Black-Draught has been regulating irregularities of the liver, stomach and bowels, and has long been recognized as the standard remedy. It is a fixture in thousands of homes as the main stay of the family medicine chest.

If you have not tried it, get a package from your nearest dealer, today. He sells it in 25c and \$1.00 packages, making it cost you only one cent a dose.

### FOR RENT

FOR RENT—house in good cond.

## DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Brand Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and ease grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

**RUB BACKACHE AND LUMBAGO RIGHT OUT**

**Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil**

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 25 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!

**6 % Security Combined With Profit on SAVINGS**

**Building Association No. 10**

Open Saturday from 6 to 8 p.m.

Office at Farmers Trust Co.

### Pay Telephone Toll.

Don't overlook to pay your telephone toll before Jan. 12 if you wish to avoid paying 15 cents extra for collection. No notice will be given by telephone. M. V. SPIVEY.

RECEIVER'S SALE OF PERSONAL PROPERTY

Notice is hereby given that the undersigned receiver in the cause now pending in the Rush Circuit Court, wherein Marshall E. Newhouse is plaintiff and Ideal Husker Company is defendant, will as such receiver, by order of the Rush Circuit Court on Saturday, the 20th day of January, 1917,

at 2 o'clock p.m. at the County Treasurer's office in the court house in the City of Rushville, Indiana, offer for sale at public sale, to the highest and best bidder the following described personal property, to-wit:

One (1) corn husker machine complete, including gasoline engine attachments (now located on the Frame heirs' farm, about one mile northwest of Rushville, Indiana); also patents granted to Ideal Husker Company from the U. S. government for corn husker machine; also all wood patterns for manufacturing said corn husker; also drawings and blue prints and other appliances for said corn husker machine, all of said property being property of the Ideal Husker Company.

TERMS OF SALE—Said sale will be made for cash at time property is sold to purchaser.

CHARLES A. FRAZEE,  
Receiver of Ideal Husker Co.

Kingsbury & Sons

101 Main Street, Rushville, Indiana

Dec. 22, 1916.

# ARGUES THAT ONLY THE TRUTH BE TOLD

Exaggerated Statements to Children  
About Liquor and Tobacco  
Work Hardship.

## STATEMENT BY DR. MITCHELL

(By United Press.)  
Indianapolis, Jan. 13.—A plea to teach school children only the actual truth regarding the effects of alcohol and tobacco on the body, was made by Dr. H. H. Mitchell of the state board of health in an interview with the United Press today.

"The evil effects of such things were greatly exaggerated a few years ago," said Dr. Mitchell. "It was said that one drop of nicotine would kill a dog and so it was implied that man might drop dead anytime from a single cigarette. Many text books were filled with extravagant statements of the ravages of alcohol and tobacco.

"These statements were calculated to frighten the boy from their use. But the consumption of both alcohol and tobacco has been on the increase during the last decade. Boys should be taught that there is plenty of reasons why he should leave both alone even though a few experiences with them does not mean their ruination."

# SAYS MACARONI IS GOOD, CHEAP FOOD

H. E. Barnard Declares More of it on Table and Less Meat Will Save Money.

## LEAN MEAT OF THE WHEAT

BY DR. H. E. BARNARD.  
Pure Food and Drug Commissioner  
For Indiana

Macaroni is usually served by the housewife as a side dish. Our cooks have not yet learned to use the hard wheat dishes which form the Italian staff of life. They do not realize that macaroni and spaghetti and the other dried flour pastes are the lean meat of the wheat. That is, they are rich in gluten and furnish the necessary protein in a cheap and very acceptable form.

The lean meat is not balanced food. It builds flesh and produces energy, but it does not burn like fats, starches and sugars, to form heat to warm the body. Macaroni is a flesh builder and nourishes and as well, contains the ratio of flesh forming, heat producing constituents and we have an admirably balanced food. The actual dry food content of a steak costs about \$1.25 a pound. Macaroni and spaghetti combined with cheese is as good and costs from ten to twenty cents a pound. More macaroni and less meat saves money.

## BONUS DECLARED.

(By United Press.)  
Bangor, Me., Jan. 13.—Despite the declaration of manufacturers that they have had to boost paper prices several hundred per cent to make a fair margin of profit on their product, the Eastern (Paper) Manufacturing Co. today presented their employees, receiving less than \$3,000 a year, a bonus equal to 10 per cent of their salaries.

The explanation given is that "on account of the increased cost of living and the present condition of the paper business, a bonus" was declared. The bonus applies to about 1,000 workers, 200 of them women.

In talking with J. H. Tarplee of Oneal Bros. we are informed that there will be another bumper sale on Simplicity Incubators this year.

Jim says that he never sold anything that met with such universal favor as the Simplicity and every one is a booster and with the addition of the moisture gauge this means much to the operator. Jim also says that he will have lots of chicks to sell now soon. Its time right to see a lot of fluffy chicks just coming out of the shell.

# TAXES FOR 1916

## PAYABLE IN MAY AND NOVEMBER, 1917.

Notice is hereby given that the Tax Duplicate for State, County, Township and Corporation Taxes, etc., for the year 1916 is now in my hands, and that I am ready to receive Taxes thereon charged.

The following table shows the rate of taxation on each One Hundred Dollars' worth of Property, and also on each Poll, in the several Townships in Rush County, Indiana, for the year, 1916.
